Life and Campaigns of General Robert E. Lee (Classic Reprint) James D. McCabe, 2015-07-08 Excerpt from Life and Campaigns of General Robert E Lee I have been led to the preparation of this work by a desire to collect in a useful and convenient form a history of the achievements of the great soldier recently at the head of the armies of the South and as he is endeared to his countrymen chiefly by his connection with them in the gallant struggle which has just closed I have devoted the greater part of these pages to that portion of his life passing over the preceding with as little delay as possible I have brought to the execution of this task a sincere desire to lay aside the feelings engendered by four years of war and to investigate fully and discuss impartially and truthfully the topics that are presented in this volume I have spared no pains to render my sources of information as complete as possible In May 1861 I commenced to collect such papers and documents both official and unofficial relating to the war as I could procure To this task begun for a purpose not altogether different from that to which I have now applied it I devoted the entire period of the war and was aided in it by many members of the various branches of the Confederate Government and of the army In this way I secured an extensive and valuable collection of materials for a history of the war or biographies of the individuals connected with it a collection embracing over fifteen thousand papers of all kinds to which through the kindness of friends I have been able to add many valuable maps and charts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

International bibliography of reprints Christa Gnirss, 1976 **Guide to Reprints**
2007 K. G. Saur Editorial Staff, 2006-01-10 [International Bibliography of Reprints: Books and serials. pt. 1. A-K. pt. 2. L-Z.](#)
[pt. 3. Index. \(3 v.\)](#) Christa Gnirss, 1976 **Southern Historical Society Papers** Robert Alonzo Brock, Douglas Southall Freeman, 1978 **The Bookman's Journal and Print Collector**, 1921 **Guide to Reprints**, 2009 **American Book Publishing Record**, 1991 [Pickett's Charge at Gettysburg](#) James A. Hessler, Wayne Motts, 2015-06-19 A battlefield guide

to the sites and history of the climactic attack during the American Civil War's Battle of Gettysburg 150 years after the event the grand near suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle. On the afternoon of July 3 Confederate Gen Robert E Lee ordered more than 12 000 Southern infantry to undertake what would become the most legendary charge in American military history. This attack popularly but inaccurately known as Pickett's Charge is often considered the turning point of the Civil War's seminal battle of Gettysburg. Although much has been written about the battle itself and Pickett's Charge in particular Pickett's Charge at Gettysburg is the first battlefield guide for this celebrated assault. After the war one staff officer perceptively observed that the charge has been more criticized and is still less understood than any other act of the Gettysburg drama. Unfortunately what was true then remains true to this day. The authors of this book two of Gettysburg's elite Licensed Battlefield Guides along with one of the Civil War's leading cartographers have corrected that oversight. Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself Pickett's Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives. For the first time readers can march toward the Copse of Trees with Armistead's Virginians advance on the Confederate left with Pettigrew's North Carolinians or defend the Angle with Alonzo Cushing's gunners and thousands of Union soldiers. There is much here to enrich the experience including dozens of full color original maps scores of battlefield and other historic photographs a unique mix of rare human interest stories a discussion of leadership controversies and a rare collection of artifacts directly related to the charge. Pickett's Charge at Gettysburg is designed for readers to enjoy on or off the battlefield and will give Civil War enthusiasts an entirely new appreciation for and understanding of Gettysburg's third day of battle. Extremely well done designed as a tour guide to the area of the battlefield where the famous July 3 1863 Confederate assault on the center of the Union Line took place the heart of any tour guide is maps and that feature is served up in exemplary fashion here far more than just maps. The two text authors are battlefield guides and the detail provided is immense strongly recommended Civil War News *The Publishers' Trade List Annual* ,1983 [The Myth of the Lost Cause](#) Edward H. Bonekemper,2015-10-05 History isn't always written by the winners Twenty first century controversies over Confederate monuments attest to the enduring significance of our nineteenth century Civil War. As Lincoln knew the meaning of America itself depends on how we understand that fratricidal struggle. As soon as the Army of Northern Virginia laid down its arms at Appomattox a group of Confederate officers took up their pens to refight the war for the history books. They composed a new narrative the Myth of the Lost Cause seeking to ennable the sacrifice and defeat of the South which popular historians in the twentieth century would perpetuate. Unfortunately that myth would distort the historical imagination of Americans north and south for 150 years. In this balanced and compelling correction of the historical record Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans *How Robert E. Lee Lost the*

Civil War Edward H. Bonekemper, 1997 This book challenges the general view that Robert E Lee was a military genius who staved off inevitable Confederate defeat against insurmountable odds Instead the author contends that Lee was responsible for the South's loss in a war it could have won Instead as this book demonstrates Lee unnecessarily went for the win squandered his irreplaceable troops and weakened his army so badly that military defeat became inevitable It describes how Lee's army took 80 000 casualties in Lee's first fourteen months of command while imposing 73 000 casualties on his opponents With the Confederacy outnumbered four to one Lee's aggressive strategy and tactics proved to be suicidal Also described are Lee's failure to take charge of the battlefield such as on the second day of Gettysburg his overly complex and ineffective battle plans such as those at Antietam and during the Seven Days campaign and his vague and ambiguous orders such as those that deprived him of Jeb Stuart's services for most of Gettysburg Bonekemper looks beyond Lee's battles in the East and describes how Lee's Virginia first myopia played a major role in crucial Confederate failures in the West He itemizes Lee's refusals to provide reinforcements for Vicksburg or Tennessee in mid 1863 his causing James Longstreet to arrive at Chickamauga with only a third of his troops his idea to move Longstreet away from Chattanooga just before Grant's troops broke through the undemanded Confederates there and his failure to reinforce Atlanta in the critical months before the 1864 presidential election Bonekemper argues that Lee's ultimate failure was his prolonging of the hopeless and bloody slaughter even after Union victory had been ensured by a series of events the fall of Atlanta the re election of Lincoln and the fall of Petersburg and Richmond Finally the author explores historians treatment of Lee including the deification of him by failed Confederate generals attempting to resurrect their own reputations Readers will not find themselves feeling neutral about this stinging critique of the hero of The Lost Cause

Lee and His Lieutenants Edward A. Pollard, 2018-01-26

Excerpt from Lee and His Lieutenants Comprising the Early Life Public Services and Campaigns of General Robert E Lee and His Companions in Arms With a Record of Their Campaigns and Heroic Deeds Authenticity is more difficult in biography than in history the domain of anecdote is always doubtful and the most we can obtain of the lives of particular men comes to us through the prejudices and colours of personal narration Sensible of the difficulties and uncertainties which beset his task the author may yet declare that he has executed it with such care that he has admitted no statement of fact without ample authority and mentioned not even the slightest incident without the support of credible testimony He has been greatly assisted from the notes and memories of surviving actors of the great drama he has drawn something from various publications contemporary with the war among which he would especially mention the Southern Illustrated News one of the most interesting literary souvenirs of the Confederacy and he has explored for evidence every print and manuscript of the documentary history of the Richmond Government At least he has not been deficient in research however he may have used his discoveries It has been arranged that the biographies in this volume should cover the whole space of the action of the late war Including all the great commanders they contain some name dear to each part of the former Confederacy and thus have

an interest distributed through all the States of the South About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Bookman's Journal with which is Incorporated the Print Collector** ,1920 V 1 3 include Bibliographies of modern authors by Henry Danielson

Gettysburg ,1995 **The Civil War in Books** David J. Eicher,1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in The Civil War in Books the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher s mammoth undertaking are indexed by author or editor and by title Gary Gallagher s foreword traces the development of Civil War bibliographies and declares that Eicher s annotation exceeds that of any previous comprehensive volume The Civil War in Books Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher s The Civil War in Books is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since The Civil War Day by Day will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs **The Journal of Military History** ,1995

Includes scholarly articles and book reviews on topics in military history Christian Intelligencer ,1920 **Catalogue of the Cambridge Public Library, 1887** Cambridge Public Library (Cambridge, Mass.),1887

Reviewing **Campaigns Gen Robert Classic Reprint**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing.

Within the pages of "**Campaigns Gen Robert Classic Reprint**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
