Get Your First 10,000 Instagram Followers Like a Boss Daniel Ndukwu, 2017-06-15 Full Color Version How would your life change with thousands of new leads and hundreds of new customers every month OR the ability to make hundreds every time you post How would it change if hundreds of thousands or even millions of people interacted with your brand every week Online changes are happening at a breakneck pace Some things will last and are gone as soon as you get the hang of it Instagram is one of the few platforms which will be around for years to come Every day over 80 million images and videos are uploaded to the platform It has up to 60x more engagement than Facebook and Twitter

More people take action after seeing an advertisement call to action and giveaway than almost every other social media platform out there. The potential for individuals and brands alike to make a healthy living or increase their revenue is multiplied 700 million times with Instagram. With great potential comes great competition. Yes, there are 700 000 000 people using Instagram. There are also thousands of brands big and small vying for their attention. How do you stand out and amass tens of thousands of followers and make a healthy income in the process? That's the question everyone who opens an account struggles to answer. Most people try for a few weeks but give up when they fail to crack their first 5 000 followers. How do you know what your potential followers want? How do you stay relevant? How do you advertise while staying true to your brand? How do you create viral competitions and a brand with true equity? I'm glad you asked. This book was written to answer those questions and more. For over a year I've had the privilege of working with multiple brands both big and small to create Instagram accounts and campaigns that helped them reach their business goals. Fashion, jewelry, fitness, and business are just a few of the places I've had the opportunity of testing initiatives and measuring results for clients. We met with huge success. Instagram works. Period. This book will break down the process of creating a compelling feed, the perfect posts, finding partners, running viral contests, and of course making money on and off the platform. Even though it mentions 10 000 followers, it's a complete guide to Instagram marketing. Nothing is left out. You'll learn the simple steps to uncover a limitless amount of post ideas so you'll always deliver the best content possible. Who your competitors are so you'll know what's working in your specific niche right now. How to set up a killer bio so people find you, follow you, and visit your website with no further action on your part. How to create a mouthwatering feed and themes that resonate with your audience. You'll learn the psychology of great content so you can upload the right posts every time. How to encourage, generate, and curate user-generated content so you have social proof, happy customers, and an almost endless supply of content to post. Simple tweaks to increase post engagement by up to 100%. The simple but unused call to action methods that'll increase your following and sales. The seven creative elements every one of your posts should have. You'll learn how to find partners and how much to invest for explosive growth. The blueprint to structure your shoutouts for maximum impact and revenue. Dozens of examples you can model to achieve your goals. How to use Instagram Live and Instagram Stories to engage your audience and have them looking forward to you showing up in their feed. So much more. Get your copy today and join the ranks of people who've made Instagram work.
