Canadian Securities Course 2013:

Do Think Tanks Matter? Third Edition Donald E. Abelson, 2018-12-30 It is often assumed that think tanks carry enormous weight with lawmakers and other key stakeholders In *Do Think Tanks Matter* Donald Abelson argues that the question of how think tanks have evolved and under what conditions they can and do have an impact continues to be ignored Think tank directors often credit their institutes with influencing major policy debates and government legislation and many journalists and scholars believe the explosion of think tanks since the latter part of the twentieth century is indicative of their growing importance in the policy making process Abelson goes beyond assumptions highlighting both the visibility and relevance of public policy institutes in what has become a contentious and polarized political arena in the United States and in Canada where despite recent growth in numbers they enjoy less prominence than their US counterparts By focusing on how think tanks engage in issue articulation policy formation and implementation Abelson argues that they have helped to shape the political dialogue and the policy preferences and choices of decision makers but in different ways and at different stages of the policy cycle This expanded and revised third edition includes additional institutional profiles of key think tanks an updated chapter on presidents and think tanks a new chapter on the efforts of a group of public policy institutes to shape the discourse around the possible construction of the controversial Keystone XL pipeline and dozens of new graphs and tables that track the public visibility and perceived policy relevance or impact of top tier think tanks *Class Actions in Europe* Alan Uzelac, Stefaan Voet, 2021-06-23 Not so long ago class actions were considered to be a textbook example of American exceptionalism many of their main features were assumed to be incompatible with the culture of the civil law world However the tide is changing while there are now trends in the USA toward limiting or excluding class actions notorious cases like Dieselgate are moving more and more European jurisdictions to extend the reach of their judicial collective redress mechanisms For many new fans of class actions collective redress has become a Holy Grail of sorts a miraculous tool that will rejuvenate national systems of civil justice and grant them unprecedented power Still while the introduction of various forms of representative action has virtually become a fashion it is anything but certain that attempting to transplant American style class action will be successful European judicial structures and legal culture s are fundamentally different which poses a considerable challenge This book investigates whether class actions in Europe are indeed a Holy Grail or just another wrong turn in the continuing pursuit of just and effective means of protecting the rights of citizens and businesses It presents both positive and critical perspectives supplemented by case studies on the latest collectivization trends in Europe s national civil justice systems The book also shares the experiences of some non European jurisdictions that have developed promising hybrid forms of collective redress such as Canada Brazil China and South Africa In closing a selection of topical international cases that raise interesting issues regarding the effectiveness of class actions in an international context are studied and discussed **Canadian Almanac and Directory 2021** Grey House Canada, 2020-12 The Canadian Almanac Directory is the

A Practical Introduction to Homeland Security Bruce Oliver Newsome, Jack A. Jarmon, 2020-03-17 This text provides students with a practical introduction to the concepts structure politics law hazards threats and practices of homeland security everywhere focusing on US homeland security Canadian public safety and European domestic security It is a conceptual and practical textbook not a theoretical work It is focused on the knowledge and skills that will allow the reader to understand how homeland security is and should be practiced Globalization population growth migration technology aging infrastructure and the simple trend to higher expectations are making homeland security more challenging Yes homeland security really is a global problem The hyperconnectivity of today's world has reduced the capacity of the United States to act unilaterally or to solve homeland risks from within the borders alone Newsome and Jarmon explain the relevant concepts the structural authorities and responsibilities that policymakers struggle with and within which practitioners must work the processes that practitioners and professionals choose between or are obliged to use the actual activities and the end states and outputs of these activities Moreover this book presents the concept of homeland security as an evolving experience rather than an artifact of life since 2001 It is a profession that requires some forming from the ground up as well as the top down

The Palgrave Handbook of Gender, Sexuality, and Canadian Politics Manon Tremblay, Joanna Everitt, 2020-11-20 The Palgrave Handbook of Gender Sexuality and Canadian Politics offers the first and only handbook in the field of Canadian politics that uses gender which it interprets broadly as inclusive of sex sexualities and other intersecting identities as its category of analysis Its premise is that political actors identities frame how Canadian politics is thought told and done in turn Canadian politics as a set of ideas state institutions and decision making processes and civil society mobilizations does and redoes gender Following the standard structure of mainstream introductory Canadian politics textbooks this handbook is divided into four sections ideologies institutions civil society and public policy each of which contains several chapters on topics commonly taught in Canadian politics classes The originality of the handbook lies in its approach each chapter reviews the basics of a given topic from the perspective of gendered sexualized and other intersectional identities Such an approach

makes the handbook the only one of its kind in Canadian Politics *Bulletin of Ontario Securities Commission* Ontario Securities Commission,1969 **Routledge Handbook of Radical Politics** Ruth Kinna,Uri Gordon,2019-05-16 Successive waves of global protest since 1999 have encouraged leading contemporary political theorists to argue that politics has fundamentally changed in the last twenty years with a new type of politics gaining momentum over elite representative institutions The new politics is frequently described as radical but what does radicalism mean for the conduct of politics Capturing the innovative practices of contemporary radicals Routledge Handbook of Radical Politics brings together leading academics and campaigners to answer these questions and explore radicalism s meaning to their practice In the thirty five chapters written for this collection they collectively develop a picture of radicalism by investigating the intersections of activism and contemporary political theory Across their experiences the authors articulate radicalism s critical politics and discuss how diverse movements support and sustain each other Together they provide a wide ranging account of the tensions overlaps and promise of radical politics while utilising scholarly literatures on grassroots populism to present a novel analysis of the relationship between radicalism and populism Routledge Handbook of Radical Politics serves as a key reference for students and scholars interested in the politics and ideas of contemporary activist movements **The Canadian Securities Course** Canadian Securities Institute,Investment Dealers' Association of Canada,1989 **Comprehensive Annual Financial Report for the Fiscal Year Ended ...** Iowa,2012 Publishers Directory ,2002 *Consumer Sourcebook* Gale Group,2002-03 P IConsumer Sourcebook I provides a comprehensive digest of accessible resources and advisory information for the American consumer This new edition identifies and describes some 23 000 programs and services available to the general public at little or no cost These services are provided by federal state county and local governments and their agencies as well as by organizations and associations PConsumer affairs and customer services departments for corporations are also listed as well as related publications multimedia products general tips and recommendations for consumers The master index is arranged alphabetically by name and by subject term Canadian Gazette and Export Trader ,1922
