Recovering the Lost Art of Reading Leland Ryken, Glenda Mathes, 2021-03-02 A Christian Perspective on the Joys of Reading Reading has become a lost art With smartphones offering us endless information with the tap of a finger it s hard to view reading as anything less than a tedious and outdated endeavor This is particularly problematic for Christians as many find it difficult to read even the Bible consistently and attentively Reading is in desperate need of recovery Recovering the Lost Art of Reading addresses these issues by exploring the importance of reading in general as well as studying the Bible as literature offering practical suggestions along the way Leland Ryken and Glenda Faye Mathes inspire a new generation to overcome the notion that reading is a duty and instead discover it as a delight

Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero s masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other
