## Romantasy Saga Stories:

**The Story of You and Me** Pamela DuMond, [The Series Blueprint](#) Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. The Series Blueprint is your long range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint by numbers outlines. It's a strategic framework for thinking like a series writer, planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to Design a series with a clear destination before plot drift takes over. Choose the right series structure for your genre, audience, and goals. Build book level arcs that serve a bigger long form story. Decide between saga, episodic, or hybrid models with confidence. Track character growth, worldbuilding, and continuity without overwhelm. Balance creativity with strategy without killing your spark. Finish a series feeling proud instead of burned out. Whether you're planning your first series halfway through, a tangled one, or staring at a world that no longer makes sense, The Series Blueprint meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one and your future self will thank you. Probably with coffee.
