Offering straightforward easy to understand and evidence based information this book is a go to resource for caregivers parenting a child with dyslexia. **Reading Champs** Rita M. Wirtz MA, 2014-06-24 Reading is one of the most important fundamental skills that children learn. Unfortunately many children still struggle to read proficiently leaving parents to seek alternative educational environments and educators to seek innovative teaching methods. With that in mind seasoned reading specialist Rita Wirtz shares a commonsense time tested reading guide that offers a step by step approach for successfully instructing the fundamentals of reading to readers of all ages. Wirtz a language arts and reading specialist who has taught at all levels for forty years presents mini lessons that focus on basic phonics instruction proven strategies and specific skills to help students recognize words increase reading speed and fluency build and boost vocabulary correct basic reading errors and difficulties and build confidence as readers. *Reading Champs* provides fundamental building blocks and success secrets for any parent tutor and teacher with an aspiration to transform struggling readers into reading champions. Fluency Instruction Timothy V. Rasinski, Camille L. Z. Blachowicz, Kristin Lems, 2012-04-16 Subject Areas Keywords assessments decoding elementary English language learners fluency literacy instruction oral reading primary grades prosody reading comprehension reading expressiveness reading methods secondary struggling readers Description This accessible guide brings together well known authorities to examine what reading fluency is and how it can best be taught. Teachers get a clear practical roadmap for navigating the often confusing terrain of this crucial aspect of balanced literacy instruction. Innovative approaches to instruction and assessment are described and illustrated with vivid examples from K-12 classrooms. The book debunks common misconceptions about fluency and clarifies its key role in comprehension. Effective practices are presented for developing fluency in specific populations including English language learners adolescents and struggling readers. *Phonics from A to Z* Wiley Blevins, 1998 Provides an explanation of phonics a method of reading instruction that focuses on the relationship between sounds and their spellings and features over one hundred activities for the classroom as well as sample lessons word lists and teaching strategies. *Learning to Read* Jeanne Sternlicht Chall, 1996 *Small Groups for Big Readers* Taylor B.
