**Planning Your Financial Future** Louis E. Boone, David L. Kurtz, Douglas Heath, 2000 *Wine, Women & Wealth* Denise Arand, 2019-10-25 Imagine how great life would be if you knew the money rules ahead of time and the tools you could use to create great financial success This book breaks the long standing taboo that it s not polite to talk about money right up there with politics sex and religion Which means that money is not talked about at cocktail parties it s not talked about around the dinner table it s not talked about in the classroom or anywhere else for that matter Until now Years ago working as a financial professional I realized that many women had little to no education about personal finance That coupled with the fact that almost all women will have total control over their money at some point in their lives yet most feel completely unprepared for that set me on a mission to educate and empower women regarding their finances This book creates a place of inspiration and reference for all women who want more success in their relationship with money

[Happy To Be Different: Personal and Money Success through Better Thinking](#) Dan Danford, 2020-08-28 The articles I wrote for ordinary people became my obsession Why It is because the mass of information created for ordinary people isn t very helpful It s boring It s hard to understand It s dictatorial It s irrelevant Did I mention that it s boring So I created a different style of writing about money to answer these problems I tried to explain things in a way that makes sense to normal folks I dispensed with the bossy junk the worn out examples and the rules of thumb routinely ignored by millions Instead I tried to make the lessons real and explain things in a way that normal people can understand I also argue against the austere budget dictated by finance professionals everywhere Have some fun I say Go ahead and drink that latte Order those season tickets Let eBay or Amazon help you succeed Buy the house you want and don t fret much about payments Dan Danford CFP has been a financial advisor since 1984 He started Family Investment Center in 1998 and his columns and articles have appeared in hundreds of magazines journals and newspapers Most of all his continuing work with actual clients sets him apart from most personal finance writers He is a gifted communicator about financial topics and his stories and examples teach valuable lessons on how to succeed financially Money won t buy happiness he explains but it can eliminate or reduce some of the stress that makes people unhappy
