Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture. It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers. The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture. It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture. Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature, sociology, media and cultural studies as well as teachers and professionals in the book and library industries.

Marketing Innovation Strategies and Consumer Behavior Barbosa, Belem, 2024-04-09 In today's fast-paced global marketplace, businesses grapple with the relentless demand for innovation in marketing strategies. The landscape is ever-evolving, driven by digital advancements and shifting consumer behaviors, leaving companies scrambling to stay relevant. Academic scholars, educators, and managers face a formidable challenge: deciphering the complex web of trends and technologies shaping modern marketing while equipping themselves with actionable strategies to thrive in this dynamic environment. By delving into topics ranging from digital marketing and sustainability initiatives to data analytics and emerging technologies, *Marketing Innovation Strategies and Consumer Behavior* equips readers with the tools they need to survive and thrive in the modern marketplace. Its emphasis on real-world case studies ensures practical relevance, while its theoretical underpinnings offer a solid foundation for academic inquiry. This book is an indispensable resource for scholars seeking to deepen their understanding of marketing innovation, providing actionable insights and strategic frameworks to navigate the complexities of the digital age with confidence and agility.

[Emerging Pedagogies in the Networked Knowledge Society: Practices Integrating Social Media and Globalization](#) Limbu, Marohang, Gurung, Binod, 2013-11-30 Since the dawn of the digital era, the transfer of knowledge has shifted from analog to digital, local to global, and individual to social. Complex networked communities are a fundamental part of these new information-based societies. *Emerging Pedagogies in the Networked Knowledge Society: Practices Integrating Social Media and Globalization* examines the production, dissemination, and consumption of knowledge within networked communities in the wider global context of pervasive Web 2.0 and social media services. This book will offer insight for business stakeholders, researchers, scholars, and administrators by highlighting the important concepts and ideas of information and knowledge-based economies.
