Historical Dictionary of Film Noir Andrew Spicer, 2010-03-19 Film noir literally black cinema is the label customarily given to a group of black and white American films mostly crime thrillers made between 1940 and 1959 Today there is considerable dispute about what are the shared features that classify a noir film and therefore which films should be included in this category These problems are partly caused because film noir is a retrospective label that was not used in the 1940s or 1950s by the film industry as a production category and therefore its existence and features cannot be established through reference to trade documents The Historical Dictionary of Film Noir is a comprehensive guide that ranges from 1940 to present day neo noir It consists of a chronology an introductory essay a bibliography a filmography and over 400 cross referenced dictionary entries on every aspect of film noir and neo noir including key films personnel actors cinematographers composers directors producers set designers and writers themes issues influences visual style cycles of films e.g. amnesiac noirs the representation of the city and gender other forms comics graphic novels television and videogames and noir's presence in world cinema It is an essential reference work for all those interested in this important cultural phenomenon

**Historical Fiction Focus**

River Stone,2025-02-19 Historical Fiction Focus explores the captivating blend of verifiable history and imaginative storytelling

that defines the genre It examines how historical fiction navigates the complex balance between historical accuracy and

narrative engagement The book uniquely combines literary analysis with market data offering insights into why readers are

drawn to these stories For example the success of historical fiction often lies in its ability to transport readers to different

eras while exploring timeless human themes using historical settings to resonate with modern audiences The book

progresses from defining historical fiction's core characteristics and historical roots to dissecting narrative techniques like

character development and plot construction It presents market data to illustrate the genre's commercial viability and reader

preferences providing a comprehensive overview of its evolution from early forms to contemporary works This approach

helps readers understand the profound influence of historical context the art of narrative structure and the market dynamics

that shape the genre By examining historical fiction through both historical and literary lenses alongside marketing insights

the book provides a holistic view of the genre This interdisciplinary perspective offers valuable insights for students writers

and readers alike making it a valuable resource for anyone seeking a deeper understanding of historical fiction's appeal and

its place in the broader cultural landscape
