Nineteen years have passed since a nuclear world war wiped out the United States leaving nothing but charred and ruined cities Out of the ashes small pockets of survivors banded together to forge new societies in the few areas not ravaged by the nuclear holocaust One community has not only risen but thrived Known as The Collective they pride themselves on an orderly system of government with a functioning infrastructure The citizenry owe their success to their founder The Number One who presides over them with an iron fist Life in The Collective centers on contribution and purpose All are assigned responsibilities and if one cannot fulfill them they are cast out The most coveted but dangerous responsibility is that of a driver Drivers ride the lonely and barren roads scavenging and exploring the outer reaches Over the years only one has emerged as a legend and his name is Driver 8 **Anna** Niccolò Ammaniti,2017-08-03 It is four years since the virus came

killing every adult in its path Not long after that the electricity failed Food and water started running out Fires raged across the country Now Anna cares for her brother alone in a house hidden in the woods keeping him safe from the Outside But when the time comes Anna knows they must leave their world and find another By turns luminous and tender gripping and horrifying Anna is a haunting parable of love and loneliness of the stories we tell to sustain us and the lengths we will go to in order to stay alive
