### **Science Fiction beyond Borders**

Shawn Edrei,Danielle Gurevitch,2016-12-14 Since the turn of the previous century science fiction and its native tropes have been used by authors artists filmmakers and critics in order to challenge boundaries whether these be conceptual literary or metaphorical Uniquely inherent to the genre is its ability to explore as a form of thought experiment different ways of crossing and subverting borders previously thought to be inviolable these transgressions and their effects on popular culture have in turn led to an increased presence of science fiction studies in academia This volume features papers presented at the 2014 and 2015 Science Fiction Symposia held at Tel Aviv University These essays submitted by an eclectic mix of scholars from different disciplines institutes and walks of life demonstrate the diversity and adaptability of science fiction as a tool for asking and answering impossible questions

### **The Fortean Influence on Science Fiction**

Tanner F. Boyle,2020-11-30 Charles Fort was an American researcher from the early twentieth century who cataloged reports of unexplained phenomena he found in newspapers and science journals A minor bestseller with a cult appeal Fort s work was posthumously republished in the pulp science fiction magazine Astounding Stories in 1934 His idiosyncratic books fascinated scared and entertained readers many of them authors and editors of science fiction Fort s work prophesied the paranormal mainstays of SF literature to come UFOs poltergeists strange disappearances cryptids ancient mysteries unexplained natural phenomena and everything in between Science fiction authors latched on to Fort s topics and hypotheses as perfect fodder for SF stories Writers like Arthur C Clarke Philip K Dick Robert Heinlein H P Lovecraft and others are examined in this exploration of Fortean science fiction a genre that borrows from the reports and ideas of Fort and others who saw the possible science fictional nature of our reality

Zrinski,2013-06-26 Seminar paper from the year 2012 in the subject Didactics for the subject English Literature Works grade 3 0 University of Trier language English abstract This term paper deals with the question which literary genre does The Time Machine by H G Wells fits best into Should it be seen as a dystopian novel or should it be rather classified as a science fictional one and why is it so hard to classify As the novel shows characteristics for either genres the novel has to be analysed accurately In order to do so and find an answer to the main question I will point out and examine relevant passages in the text

which will help classifying Wells work Therefore it is essential to first of all define both literary genres These definitions are to include the origin of the genre main characteristics as well as appropriate background information As already mentioned the definitions will be followed by an in depth analysis of significant text passages Finally my conclusion is intended to sum up the most important findings and aims to present a classification based on the analysis in the main part
