Commentaries On Living First Series:

Commentaries on Living Jiddu Krishnamurti, 1956-01-01 Krishnamurti's essential message is that to find truth we must go beyond the limits of ordinary thought. In public talks worldwide he strove to free listeners from conventional beliefs and psychological mind sets in order to understand what is. This 3 volume series records his meetings with individual seekers from all walks of life during which he comments on the struggles common to those who work to break the boundaries of personality and self limitation. In the first volume Krishnamurti discusses many topics including knowledge, belief, simplicity of the heart, love in relationship, ambition and clarity in action. Commentaries on Living Jiddu Krishnamurti, 1984

Commentaries on Living J Krishnamurti, 2025-06-04 J Krishnamurti 1895-1986 has been called an educator, a philosopher, a spiritual teacher, but in reality he cannot be limited to any of these descriptions. Speaking to millions of people in his lifetime Krishnamurti adamantly rejected any role as authority, leader or guru precisely because he saw that this was a major impediment in people finding truth for themselves. There is no path to truth. Truth must be discovered but there is no formula for its discovery. What is formulated is not true. You must set out on the unchartered sea and the unchartered sea is yourself. His iconoclastic message remains relevant to any person interested in understanding themselves and the world they live in. Commentaries on Living a three volume series records Krishnamurti's meetings with earnest individuals from all walks of life who came to him seeking answers to their questions. The breadth of Krishnamurti's teachings is revealed over the course of these compassionate and penetrating conversations. Several chapters are prefaced by Krishnamurti's inspired descriptions of his ever changing surroundings imparting a deep awareness of the moment and setting the tone for the discussion to follow.

On Learning and Knowledge J. Krishnamurti, Commentaries On Living Jiddu Krishnamurti, 1956 **Commentaries On Living 2** J Krishnamurti, 2012-08-08 In this series of commentaries J Krishnamurti, one of the great thinkers of our time, touches upon many human problems, our hopes, our fears, our illusions, our beliefs, our prejudices, and in the simplest language seems to pierce to their roots. The sheer simplicity is breathtaking. The reader is given in one paragraph, often in one sentence, enough to keep him exploring, questioning, thinking for days. Anne Morrow Lindbergh, The insight, spiritual and poetic of these commentaries is as simply expressed as it is searching in its demand. Times Literary Supplement London, Krishnamurti is no other than he seems, a free man, one of the first quality, growing older as diamonds do, but the gem like flame not fading and alive in these Commentaries. It is a treasure. Francis Hackett, The New Republic, *A Wholly Different Way of Living* Jiddu Krishnamurti, Allan W. Anderson, 1991 In a time of unprecedented outer change in the political and social spheres is there a fundamental inner challenge that faces each one of us? In these 18 dialogues Krishnamurti indicates that pinning hopes on organized religion, science, political ideology or the market economy not only fails to address basic human problems but actually creates them. Instead he discusses with Professor Anderson the concept of a wholly different way of living. **On Freedom** Jiddu Krishnamurti, 1992 *Exploration*

Krishnamurti presents sage and eloquent teachings on these issues of vital concern to us all Krishnamurti has said Is it not necessary for each to know for oneself what is the right means of livelihood If we are avaricious envious seeking power then our means of livelihood will correspond to our inward demands and so produce a world of competition ruthlessness
