American Book Publishing Record Cumulative, 1950-1977 R.R. Bowker Company. Department of Bibliography, 1978 **Trade in Goods** Petros C. Mavroidis, 2012-07-19 This new edition of Trade in Goods is an authoritative work on international trade by one of the most influential scholars in the field It provides a comprehensive and detailed analysis of every WTO agreement dealing with trade in goods The focus of the book is on the reasoning behind the various WTO agreements and their provisions and the manner in which they have been understood in practice It introduces both the historic as well as the economic rationale for the emergence of the multilateral trading system before dealing with WTO practice in all areas involving trade in goods It contests the claim that the international trade agreements themselves represent incomplete contracts realized through interpretation by the WTO and other judicial bodies The book comprehensively analyses the WTO s case law and it argues that a more rigorous theoretical approach is needed to ensure a greater coherence in the interpretation of the core provisions regulating trade in goods This second edition readdresses and moves beyond the discussion of the GATT presented in the first edition to assess in significant detail every trade in goods agreement at the WTO both multilateral as well as plurilateral The book is written to be accessible to those new to the field with an authoritative level of detail and analysis that makes it essential reading for lawyers and economists alike *Library of Congress Catalogs* Library of Congress, 1970 *Books for College Libraries: Social sciences* , 1975

Anglo-Chinese Encounters Before the Opium War Xin Liu, 2022-08-12 Anglo Chinese Encounters Before the Opium War A Tale of Two Empires Over Two Centuries studies the fascinating encounters between the two historic empires from Queen Elizabeth I s first letter to the Ming Emperor Wanli in 1583 to Lord Palmerston s letter to the Minister of China in

1840 Starting with Queen Elizabeth I's letter to the Chinese Emperor and ending with the letter from Lord Palmerston to the Minister of China just before the Opium War this book explores the long journey in between from cultural diplomacy to gunboat diplomacy It interweaves the most known diplomatic efforts at the official level with the much unknown intellectual interactions at the people to people level from missionaries to scholars from merchants to travelers and from artists to scientists This book adopts a novel mirror approach by pairing and comparing people texts commodities artworks architecture ideologies operating systems and world views of the two empires Using letters gifts and traded goods as fulcrums and by adopting these unique lenses it puts China into the world history narratives to contextualise Anglo Chinese relations thus providing a fresh analysis of the surviving evidence Xin Liu casts a new light on understanding the Sino centric and Anglo centric world views in driving the complex relations between the two empires and the reversals of power shifts that are still unfolding today The book is not intended for specialists in history but a general audience wishing to learn more about China's historical engagement with the world
