Tennessee Report. Year 1** Department of Education (ED), 2012 This State specific summary report serves as an assessment of Tennessee's Year 1 Race to the Top implementation highlighting successes and accomplishments identifying challenges and providing lessons learned from implementation to date. Tennessee received its Race to the Top grant in July 2010 as part of the first round of the competition. Since receiving the award the State has made progress implementing several initiatives including integrating the First to the Top FTTT Act goals and objectives into daily operations aiding the LEAs transition to new Common Core State Standards CCSS and designing and implementing a new educator evaluation system. The State is supporting LEAs in their transition to the CCSS by providing trainings a crosswalk between the existing State standards and the CCSS and pacing guides to help connect the new standards to professional growth. Over the past year TDOE provided introductory training to more than 4 000 educators statewide on the CCSS. Additionally most of the State's LEAs are voluntarily implementing the CCSS standards in kindergarten through second grade in school year SY 2011-2012. Tennessee encountered some impediments to the implementation of its Race to the Top plan during the first year of the grant. After winning its Race to the Top award Tennessee elected a new Governor who then appointed a new Commissioner of Education. Although the new Governor collaborated with TDOE staff prior to taking office and both he and his new Commissioner are committed to education reform the transition to new leadership was not seamless. The time required to fill key leadership positions impacted both TDOE's project timelines and its capacity to support LEAs. TDOE also experienced turnover within the assessment data systems and educator evaluation offices. During the summer of 2011 the Commissioner engaged in a strategic planning process and is considering how to fill vacancies and hire additional staff at TDOE in alignment with the agency's key priorities needed to drive student achievement at the classroom level. Tennessee learned valuable lessons

during the first year of Race to the Top that will inform TDOE as it continues to foster supportive relationships with LEAs and schools In Year 1 the State offered guidance trainings and in person support to LEAs and schools on several Race to the Top initiatives including TVAAS the CCSS and the TAP observation rubric The guidance and resources provided by the State built stronger relationships with LEAs to ensure successful implementation of many foundational Race to the Top initiatives in Year 1 A Glossary is included Contains 13 footnotes For the parent report Race to the Top Annual Performance Report see ED529267 For the full report Race to the Top Tennessee State Reported APR Year One see ED529329 [Common Core State Standards 1st Grade Lesson Plans](#) Kim Clements,Teacher's Life Staff,Teacher's Life,2012-08-21 This book contains two lesson plans for each sub standard of the new Common Core State Standards [Common Core State Standards: Math And Language 1st Grade](#) Speedy Publishing,2015-04-27 Introducing math and language to a first grader is a serious formula for early education induced boredom Both subjects work with logic and that for children is no fun at all But this quick study guide helps you critique reasoning by breaking down complex theories into small more understandable pieces Grab a copy today [**Houghton Mifflin Harcourt Journeys**](#) James F.
