## Communicating With The Lord:

**Communicating God's Word in a Complex World** Daniel R. Shaw, Charles E. Van Engen, 2003-08-04 Communicating God's Word in a Complex World reaches out to the growing number of missionaries, pastors, Bible translators, and teachers mission and theological educators and students dealing with communicating the gospel. This is increasingly difficult in today's pluralist and global contexts. What was God's message and how has spreading that message changed through the generations? The answer to that question requires a hermeneutical process that seeks to understand the biblical text and the context in which it was originally presented. R. Daniel Shaw and Charles Van Engen say that contemporary proclaimers of God's word can model their approach after that of the writers of scripture who reinterpreted and restated their received texts for their audiences. Thus, Gospel communication is impacted by the way humans know God. This in turn is informed by contexts. Communicating God's Word in a Complex World draws lessons from the biblical authors themselves as a guide for how best to present God's message. **THE CHRISTIAN COMMUNICATOR** Emilio Clergé, 2025-11-06 Human life rests on two major dimensions: speech and action, which give rise to communication. Indeed, communication is the means by which a person makes themselves understood, whether through words or actions, behavior, signs, gestures. This shows that life itself resides in communication. Thus, a good or bad life depends on the way one communicates. The Bible itself emphasizes this. Regarding speech: Those who can control their tongue can control their whole body. James 3:2. Regarding action: Those who act rightly before God and men are perfect. Matthew 5:43-48. It is in this perspective that this work, *The Christian Communicator*, was created: a study book on the Christian life through communication. Through its content, it provides practical insights into various aspects of the Christian life: the relationship with God, married life, brotherhood, kindness toward others, self-knowledge, and evangelism. Moreover, it serves as a school of spiritual formation, teaching freedom and deliverance from diabolical captivity and imprisonment. Finally, this book contains numerous revelations and presents itself as a powerful testimony of God's greatness, aimed at the spiritual growth of those who find joy in a book aligned with the Word of God such as *The Christian Communicator*.
