**Grades 3-5** Leslie Blauman, Jim Burke, 2014-04-24 It's the teaching around the standards that counts. If you're an upper elementary teacher, we have a Common Core Companion for you, too. What makes this book that version of the standards you wish you had? It's the way Leslie Blauman translates each and every standard for reading, writing, speaking, and listening language and foundational skills into the day-to-day what you do. It's all here: The standards for literature and informational texts put side-by-side for easier planning. More than a dozen teaching ideas for each standard. Recommendations on how to cultivate critical habits of mind. A glossary of academic language for each standard. An online bank of graphic organizers, reproducibles, charts, and more. What makes *The Common Core Companion: Grades K-2* that version of the standards you wish you had? The way it translates each and every standard into the day-to-day what you do. *Common Core Standards for Elementary Grades K-2 Math & English Language Arts* Amber Evenson, Monette McIver, Susan Ryan, Amitra Schwols, 2013-05-20

Smart implementation of the Common Core State Standards requires both an overall understanding of the standards and a grasp of their implications for planning teaching and learning. This Quick Start Guide provides a succinct all-in-one look at the content structure, terminology, and emphases of the Common Core standards for mathematics and English language arts and literacy in the lower elementary grades. The meaning of the individual standards within each of the four ELA literacy strands and five math domains, with an emphasis on areas that represent the most significant changes to business as usual. How the standards connect across and within strands, domains, and grade levels to develop the foundational language arts literacy and mathematics understanding that will support a lifetime of successful learning. Here, teachers of grades K-2 and elementary school leaders will find information they need to begin adapting their practices to help all students master the new and challenging material contained in the standards. A practical lesson planning process to use with the Common Core based on Classroom Instruction That Works 2nd Ed is included, along with six sample lessons. LEARN THE ESSENTIALS OF THE COMMON CORE. The grade-level and subject-specific Quick Start Guides in the Understanding the Common Core Standards series, edited by John Kendall, are designed to help school leaders and school staffs turn Common Core standards into coherent, content-rich curriculum and effective classroom-level lessons. **Common Core Curriculum:**
