Cartas Cruzadas Spanish Edition:

Spanish-Cartas cruzadas , Gibraltar and the Spanish Civil War, 1936-39 Julio Ponce Alberca, 2014-11-20
Incorporating local national and international dimensions of the conflict Gibraltar and the Spanish Civil War 1936 39
provides the first detailed account of the British enclave Gibraltar's role during and after the Spanish Civil War The neutral
stance adopted by democratic powers upon the outbreak of the Spanish Civil War is well known The Non Intervention
Committee played a key role in this strategy with Great Britain a key player in what became known as the London Committee
British interests in the Iberian Peninsula however meant that events in Spain were of crucial importance to the Foreign
Office and the victory of the Popular Front in February 1936 was deemed a potential threat that could drive the country
towards instability This book explores how British authorities in Gibraltar ostensibly initiated a formal policy of neutrality
when the uprising took place only for the Gibraltar authorities to provide real support for the Nationalists under the
surface The book draws on a wealth of primary source material some of it little known before now to deliver a significant
contribution to our knowledge of the part played by democratic powers in the 1930s confrontation between Communism and
Fascism It is essential reading for anyone seeking a complete understanding of the Spanish Civil War Catalogue of the
