Postapocalyptic Fiction and the Social Contract Claire P. Curtis, 2010-07-17 Postapocalyptic Fiction and the Social Contract We'll Not Go Home Again provides a framework for our fascination with the apocalyptic events. The popular appeal of the end of the world genre is clear in movies, novels, and television shows. Even our political debates over global warming, nuclear threats, and pandemic disease reflect a concern about the possibility of such events. This popular fascination is really a fascination with survival: how can we come out alive? And what would we do next? The end of the world is not about species death but about beginning again. This book uses postapocalyptic fiction as a terrain for thinking about the state of nature, the hypothetical fiction that is the driving force behind the social contract. The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian, a Lockean, or a Rousseauian lens, including Lucifer's Hammer by Larry Niven and Jerry Pournelle, Alas, Babylon by Pat Frank, Malevil by Robert Merle, and Into the Forest by Jean Hegland. The latter half of the book examines Octavia Butler's postapocalyptic Parable series in which a new kind of social contract emerges, one built on the fact of human dependence and vulnerability.

The Palgrave Handbook of

Popular Culture as Philosophy Dean A. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use, using popular culture as a necessary evil, something merely useful for reaching the masses with important philosophical arguments. But works of pop culture are important in their own right: they shape worldviews, inspire ideas, change minds. We wouldn't baulk at a book dedicated to examining the philosophy of The Great Gatsby or 1984, why aren't Star Trek and Superman fair game as well? After all, when produced, the former were considered pop culture just as much as the latter. This will be the first major reference work to right that wrong, gathering together entries on film, television, games, graphic novels, and comedy, and officially recognizing the importance of the field. It will be the go-to resource for students and researchers in philosophy, culture, media, and communications, English, and history, and will act as a springboard to introduce the reader to the other key literature in the field.

Evolution and Popular Narrative, 2019-06-07 The contributors to this volume share the assumption that popular narrative, when viewed with an evolutionary lens, offers an incisive index into human nature. In theory, narrative art could take a near infinity of possible forms. In actual practice, however, particular motifs, plot patterns, stereotypical figures, and artistic devices persistently resurface, indicating specific predilections frequently at odds with our actual living conditions. Our studies explore various media and genres to gauge the impact of our evolutionary inheritance in interdependence with the respective cultural environments on our aesthetic appreciation. As they suggest, research into mass culture is not only indispensable for evolutionary criticism but may also contribute to our understanding of prehistoric selection pressures that still influence modern preferences in popular narrative. Community Favorite Post Apocalyptic Story Introduction

In todays digital age, the availability of Community Favorite Post Apocalyptic Story books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Community Favorite Post Apocalyptic Story books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Community Favorite Post Apocalyptic Story books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Community Favorite Post Apocalyptic Story versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Community Favorite Post Apocalyptic Story books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Community Favorite Post Apocalyptic Story books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Community Favorite Post Apocalyptic Story books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow

digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Community Favorite Post Apocalyptic Story books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Community Favorite Post Apocalyptic Story books and manuals for download and embark on your journey of knowledge?
