*Career Strategies for Christian Women* Lesie Knight, 2015-08-09 Competence and professional growth are 2 pieces of the puzzle in receiving the salary your efforts merit In this book Leslie Knight reveals the 4 missing pieces to the puzzle and provides solid actionable advice for any woman seeking to negotiate a better salary at any level from the college new hire to the CEO

*When Women Lead* Carolyn Moore, 2022-09-27 Much of what men and women both think about women gender differences and cultural norms is remarkably under processed Without the benefit of intentional conversation about the barriers women face most women are left to enter the world of leadership with inadequate awareness and resources The acknowledgement of a woman's right to leadership is only the first step We have not yet addressed the very common barriers women face when they enter the leadership arena nor have we explored practical solutions to help them navigate those barriers so they can lead effectively Women need to know that unrealistic optimism is a recipe for failure Simply by acknowledging constraints to success then exploring strategies to enhance leadership skills we can help women take greater authority over their call to live out of a God given identity and giftedness *When Women Lead* is for men and women who advocate for female leadership within the Church When women are educated about the challenges they face and are given resources to navigate beyond those challenges their opportunity for success in ministry increases dramatically The purpose of this book is to describe those challenges explore practical solutions and equip women to lead successfully and hopefully While it is an excellent resource for women ready to enter leadership with more confidence and authority it's also perfect for denominational leaders charged with raising up women called to leadership roles for lay leaders who want to better understand the dynamics at work when the pastor is a woman and for husbands parents and friends who desperately want to support women in their life who are living out what God has given them to do What if the Kingdom of God is straining toward the day when all God's people are deployed in the work of the Great Commission Women are already leading powerful movements around the world The evangelistic explosion being documented in many closed countries is largely due to the leadership of women Missionaries tell of the critical role of women in introducing the gospel to new groups This book can help to equip a new generation of women to rise up with tools in hand to welcome and advance God's Kingdom on earth

*Sis, You Can Negotiate!* Aigné Goldsby Esq., 2023-08-01 Have you ever been passed up for a raise or promotion Or maybe you've recently found out one of your colleagues was making more money than you According to the U S Census Bureau women made 83 cents for every dollar a man made in 2020 Black women made 64 cents for every dollar and Hispanic women made 57 cents for every dollar I am a Black woman and an attorney and I've been passed up for opportunities jobs promotions and raises by people that were less qualified than me Specifically by men NEVER AGAIN I don't want another woman to have to feel the way I felt in those situations That is the calling and purpose of this book and what I help hundreds of women everyday do as The VALUE Coach Sis You CAN Negotiate 10 Tips to Negotiate Your Salary or Raise will deliver ten
