Carl Schmitt And The Intensification Of Politics Modernity And Political Thought:

Carl Schmitt and the Intensification of Politics Kam Shapiro,2008 **Publius and Political Imagination** Jason Frank,2013-12-05 Jason Frank s Publius and Political Imagination is the first volume of the Modernity and Political Thought series to take as its focus not a single author but collaboration between political thinkers in this very special case the collective known by the pseudonym Publius Frank s revisionist reading of The Federalist Papers perhaps the most canonical text in American political thought counters familiar realist and deliberativist interpretations and demonstrates the neglected importance of political imagination to both Publius s arguments and to the republic he was invented to found [Deleuze's Political Vision](#) Nicholas Tampio,2015-08-06 French philosopher Gilles Deleuze and the psychiatrist activist Flix Guattari s 1980 book A Thousand Plateaus is widely recognized as a masterpiece of twentieth century Continental philosophy Until now however few scholars have dared to explain the book s political importance Deleuze s Political Vision reconstructs Deleuze s conception of pluralism human nature the social contract liberalism democracy socialism feminism and comparative political theory Unlike scholars who read Deleuze as a Marxist author Nicholas Tampio argues that Deleuze was a cutting edge liberal concerned about protecting difference from what John Stuart Mill called the tyranny of the majority The book brings Deleuze into conversation with other contemporary political theorists such as Hannah Arendt William E Connolly Jrgen Habermas Bruno Latour Charles Mills Martha Nussbaum Carole Pateman Abdolkarim Soroush Leo Strauss and Charles Taylor Deleuze s Political Vision translates Deleuze s ideas into popular vernaculars to realize his political vision and reveal his work as essential to modern discussions of political theory and philosophy

John Rawls J. Donald Moon,2014-08-26 Donald Moon s John Rawls Liberalism and the Challenges of Late Modernity is distinguished not only by the originality of its contribution to the literature on one of the most important political philosophers of the 20th century but for an argument that will be accessible to students as well as scholars of justice and its complex array of controversial issues at the heart of our hyper modern globalized world Rawls s work is often viewed primarily through the lens of liberal theories of social justice focusing on issues of income distribution and economic inequality Moon allows for a more complete understanding of Rawls legacy by setting his account of social justice in the context of modern and increasingly pluralistic democracies Moon s reading of Rawls shows how his work breaks with political theory s traditional aspiration to provide a general theory of politics including a theory of justice which can be rationally vindicated Instead Rawls views theorizing as itself a practical political form of engagement which offers a specifically political conception of justice and political principles more generally that speak to the conditions of modern democratic citizens **Unsettling the World** Jeanne Morefield,2022-04-29 Unsettling the World is the first book length treatment of Edward Said s influential cultural criticism from the perspective of a political theorist Arguing that the generative power of Said s thought extends well beyond Orientalism the book explores Said s writings on the experience of exile the practice of contrapuntal criticism and the illuminating potential of worldly humanism

Said's critical vision Morefield argues provides a fresh perspective on debates in political theory about subjectivity global justice identity and the history of political thought. Most importantly she maintains Said's approach offers theorists a model of how to bring the insights developed through historical analyses of imperialism and anti colonialism to bear on critiques of contemporary global crises and the politics of American foreign policy

Impressions of Hume Davide

Panagia, 2013-08-22 Davide Panagia's *Impressions of Hume* Cinematic Thinking and the Politics of Discontinuity is volume fifteen of Modernity and Political Thought the Rowman Littlefield series in contemporary political theory. Through close attention to Hume's theories of sensation Davide Panagia conceptualizes the modern even more radically though also more literally than many of the previous authors in this series. While devoting attention to how a historical thinker such as Hume is read and misread used and abused in the modern intellectual world Panagia also focuses on developing a theory of Humean perception and by so doing emphasizes the contemporaneity of Hume's thought. In what at first seems to be an anachronistic as well as wildly curious claim about a philosopher of the eighteenth century Panagia holds that Hume was a cinematic thinker

A Philosophy of Concrete Life Mika Ojakangas, 2004 Carl Schmitt is one of the most influential political and legal theorists of the 20th century. His ideas have long been familiar to intellectuals in Europe. Despite growing interest in Schmitt the analysis of the metaphysical structure and logic of Schmitt's political thought is still missing. This book tries to redress this flaw. It focuses on Schmitt's conception of the concrete which is seen as the metaphysical core of his writings. For Schmitt the concrete is a condition of possibility of any order. Rather than a concept it is a name for a borderline or a passage between a concept and life between a mediating idea and an immediate existence. In addition to the structure and logic of Schmitt's thought the book is a short presentation of all central themes in Schmitt's writings from Political Theology 1922 to The Nomos of the Earth 1950

Sociological Abstracts Leo P. Chall, 1996

The Politics of time. Introduction to Carl

Schmitt's Political Thought Miguel Saralegui, 2021-07-01 Carl Schmitt is the last thinker to provide a complete original definition of politics. His work influences many debates in contemporary political theory through a collection of concepts he created political theology the katechon friend and enemy. Despite how influential his ideas are they tend to be employed metaphorically and sometimes incorrectly. This miscalculation is due to Carl Schmitt himself who never gave us a final complete version of his political thought or even of some of his most famous concepts. In this book I aim to reconstruct his political thought using three key concepts political theology the concept of the political and the theory of modernity. To do so I have consulted all his published works but also the archival documents in particular those with ties to Spain which had previously received little attention. This reconstruction offers readers a qualitative introduction to Schmitt's political thought that aims to blend logical clarity with document based evidence

The International Political Thought of Carl Schmitt Louiza Odysseos, Fabio Petito, 2007-03-06 Presenting the first critical analysis of Carl Schmitt's *The Nomos of the Earth* and how it relates to the epochal changes in the international system that have risen from the collapse of the Westphalian

international order There is an emerging recognition in political theory circles that core issues such as order social justice rights need to be studied in their global context Schmitt s international political thought provides a stepping stone in these related paths offering an alternative history of international relations of the genesis achievements and demise of the Westphalian system Writing at a time when he believed that the spatial political and legal order the nomos of the earth had collapsed he highlighted the advent of the modern state as the vehicle of secularization tracing how this interstate order was able to limit and rationalize and humanize war Providing a large number of case studies including global terrorism humanitarian intervention and US hegemony this book will give further impetus to and expand the nascent debate on the significance of Schmitt s legal and political thought for international politics The International Political Thought of Carl Schmitt will be of interest to students and scholars of international relations law and history

A Dangerous Mind

Jan-Werner Müller,2003-01-01 Carl Schmitt 1888 1985 was one of the 20th century s most brilliant and disturbing critics of liberalism He was also one of the most important intellectuals to offer his services to the Nazis for which he was dubbed the crown jurist of the Third Reich Despite this fateful alliance Schmitt has exercised a profound influence on post war European political and legal thought on both the right and the left In this study Jan Werner Muller traces the permutations of Schmitt s ideas after World War II and relates them to broader political developments in Europe his key concepts Muller explains why interest in the political theorist continues He assesses the uses of Schmitt s thought in debates on globalization and the quest for a liberal world order He also offers insights into the liberalization of political thinking in post authoritarian societies and the persistent vulnerabilities and blind spots of certain strands of Western liberalism

The Contemporary Relevance of

Carl Schmitt Matilda Arvidsson,Leila Brännström,Panu Minkkinen,2015-08-20 What does Carl Schmitt have to offer to ongoing debates about sovereignty globalization spatiality the nature of the political and political theology Can Schmitt s positions and concepts offer insights that might help us understand our concrete present day situation Works on Schmitt usually limit themselves to historically isolating Schmitt into his Weimar or post Weimar context to reading him together with classics of political and legal philosophy or to focusing exclusively on a particular aspect of Schmitt s writings Bringing together an international and interdisciplinary range of contributors this book explores the question of Schmitt s relevance for an understanding of the contemporary world Engaging the background and intellectual context in which Schmitt wrote his major works often with reference to both primary and secondary literature unavailable in English this book will be of enormous interest to legal and political theorists

Carl Schmitt's Critique of Liberalism John P. McCormick,1997

This is the first in depth critical appraisal in English of the political legal and cultural writings of Carl Schmitt perhaps this century s most brilliant critic of liberalism It offers an assessment of this most sophisticated of fascist theorists without attempting either to apologise for or demonise him Schmitt s Weimar writings confront the role of technology as it finds expression through the principles and practices of liberalism Contemporary political conditions such as disaffection with

liberalism and the rise of extremist political organizations have rendered Schmitt's work both relevant and insightful John McCormick examines why technology becomes a rallying cry for both right and left wing intellectuals at times when liberalism appears anachronistic and shows the continuities between Weimar's ideological debates and those of our own age

Janus's Gaze Carlo Galli, 2015-11-27 First published in Italian in 2008 and appearing here in English for the first time Janus's Gaze is the culmination of Carlo Galli's ongoing critique of the work of Carl Schmitt. Galli argues that Schmitt's main accomplishment as well as the thread that unifies his oeuvre is his construction of a genealogy of the modern that explains how modernity's compulsory drive to achieve order is both necessary and impossible. Galli addresses five key problems in Schmitt's thought: his relation to the state, the significance of his concept of political theology, his readings of Machiavelli and Spinoza, his relation to Leo Strauss and his relevance for contemporary political theory. Galli emphasizes the importance of passing through Schmitt's thought and more important beyond Schmitt's thought if we are to achieve insight into the problems of the global age. Adam Sitze provides an illuminating introduction to Schmitt and Galli's reading of him.

The Concept of the Political Carl Schmitt, 2024-05-31 Arguably Schmitt's most influential work, recognized as one of the most important tracts of modern political thought. Samuel Earle, *The New Statesman*. In this, his most influential work, legal theorist and political philosopher Carl Schmitt argues that liberalism's basis in individual rights cannot provide a reasonable justification for sacrificing oneself for the state, a critique as cogent today as when it first appeared. George Schwab's introduction to his translation of the 1932 German edition highlights Schmitt's intellectual journey through the turbulent period of German history leading to the Hitlerian one-party state. In addition to analysis by Leo Strauss and a foreword by Tracy B. Strong placing Schmitt's work into contemporary context, this expanded edition also includes a translation of Schmitt's 1929 lecture, "The Age of Neutralizations and Depoliticizations," which the author himself added to the 1932 edition of the book. An essential update on a modern classic, *The Concept of the Political* Expanded Edition belongs on the bookshelf of anyone interested in political theory or philosophy. Contains much of what is fundamental in Schmitt's understanding of the political nature of man and the state, including his contentious definition of the political as the distinction between friend and enemy. Its scholarship is unquestionable. Joseph W. Bendersky, *Canadian Journal of Political and Social Theory*. The best introduction to Schmitt's thought. Mark Lilla, *New York Review of Books*. A foundational work. Minor disagreements over terms fade in light of the superb job Schwab has done rendering Schmitt's long multi-clausal German sentences into concise, pellucid English. Robert D. Rachlin, H-Net.

The Political Discourse of Carl Schmitt Montserrat Herrero López, 2015 Carl Schmitt is a key figure in modern political thought, but discussion of his work often focuses upon specific elements or themes within his texts. This book provides a wide-ranging discussion of Carl Schmitt's discourse and provides a new perspective on his contribution, presenting the idea of *Nomos of the Earth* as the key idea that organizes his political and legal discourse. This book creates a reverse genealogy of Schmitt's theoretical system, starting from his legal and political concept of *nomos* so as

to reconstruct his understanding of order It connects the different topics the Carl Schmitt developed along his intellectual trajectory which have generally been approached in separate ways by scholars the legal theory the concept of the political the theory of international relations and political theology The text considers the whole of Carl Schmitt s work including writings that have been previously unknown to the English speaking academy old journals with just three or four pages newspaper articles manuscripts of conferences and Festschriften Itprovides a balanced examination of the whole complex of Carl Schmitt s political discourse ages newspaper articles manuscripts of conferences and Festschriften Itprovides a balanced examination of the whole complex of Carl Schmitt s political discourse ages newspaper articles manuscripts of conferences and Festschriften Itprovides a balanced examination of the whole complex of Carl Schmitt s political discourse ages newspaper articles manuscripts of conferences and Festschriften Itprovides a balanced examination of the whole complex of Carl Schmitt s political discourse ages newspaper articles manuscripts of conferences and Festschriften Itprovides a balanced examination of the whole complex of Carl Schmitt s political discourse

The State of the Political Duncan Kelly,2003-10-16 The State of the Political challenges traditional interpretations of the political thought of Max Weber Carl Schmitt and Franz Neumann Focusing on their adaptation of a German tradition of state legal theory the book offers a scholarly contextualized account of the interrelationship between their political thought and practical political criticism Dr Kelly criticizes the typical separation of these writers and offers a substantial reinterpretation of modern German political thought in a period of profound transition in particular the relationship between political theory and conceptual change Alongside its focus on German political and juridical thought the book contributes significantly to the history of European ideas discussing parliamentarism and democracy academic freedom and cultural criticism political economy patriotism sovereignty and rationality and the inter relationships between law the constitution and political representation

Carl Schmitt, Mao Zedong and the Politics of Transition Qi Zheng,2015-10-22 This book develops a new way of reading and benefiting from Schmitt s legal and political theories It explores Schmitt s theories from the perspective of what I refer to as the politics of transition It also contributes to identifying the real theoretical relationship between Schmitt and Mao

Political Romanticism Carl Schmitt,2017-07-12 A pioneer in legal and political theory Schmitt traces the prehistory of political romanticism by examining its relationship to revolutionary and reactionary tendencies in modern European history Both the partisans of the French Revolution and its most embittered enemies were numbered among the romantics During the movement for German national unity at the beginning of the nineteenth century both revolutionaries and reactionaries counted themselves as romantics According to Schmitt the use of the concept to designate opposed political positions results from the character of political romanticism its unpredictable quality and lack of commitment to any substantive political position The romantic person acts in such a way that his imagination can be affected He acts insofar as he is moved Thus an action is not a performance or something one does but rather an affect or a mood something one feels The product of an action is not a result that can be evaluated according to moral standards but rather an emotional experience that can be judged only in aesthetic and emotive terms These

observations lead Schmitt to a profound reflection on the shortcomings of liberal politics. Apart from the liberal rule of law and its institution of an autonomous private sphere the romantic inner sanctum of purely personal experience could not exist. Without the security of the private realm the romantic imagination would be subject to unpredictable incursions. Only in a bourgeois world can the individual become both absolutely sovereign and thoroughly privatized a master builder in the cathedral of his personality. An adequate political order cannot be maintained on such a tolerant individualism concludes Schmitt.

The Concept of the Political Carl Schmitt, 2007-05-15

In this his most influential work legal theorist and political philosopher Carl Schmitt argues that liberalism's basis in individual rights cannot provide a reasonable justification for sacrificing oneself for the state a critique as cogent today as when it first appeared. George Schwab's introduction to his translation of the 1932 German edition highlights Schmitt's intellectual journey through the turbulent period of German history leading to the Hitlerian one party state. In addition to analysis by Leo Strauss and a foreword by Tracy B Strong placing Schmitt's work into contemporary context this expanded edition also includes a translation of Schmitt's 1929 lecture *The Age of Neutralizations and Depoliticizations* which the author himself added to the 1932 edition of the book. An essential update on a modern classic *The Concept of the Political* Expanded Edition belongs on the bookshelf of anyone interested in political theory or philosophy.

Carl Schmitt And The Intensification Of Politics Modernity And Political Thought Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Carl Schmitt And The Intensification Of Politics Modernity And Political Thought PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Carl Schmitt And The Intensification Of Politics Modernity And Political Thought PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Carl Schmitt And The Intensification Of Politics Modernity And Political Thought free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Carl Schmitt And The Intensification Of Politics Modernity And Political Thought Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What are the advantages of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Carl Schmitt And The Intensification Of Politics Modernity And Political Thought is one of the best books in our library for free trial. We provide a copy of Carl
