Carmax Return Policy:

Human Resource Transformation William J. Rothwell, Robert K. Prescott, Maria W. Taylor, 2008 From this experienced author team whose previous book *Strategic Human Resource Leader* first introduced the concept of HR transformation comes this detailed exploration of today's workforce and workplace trends that drive the need for HR to radically rethink, reinvent and reposition its role within the organization. With data culled from the authors first ever 20 year longitudinal study of how general managers view HR's focus and performance *Human Resource Transformation* explores the new role of HR leadership especially when facing the challenges of outsourcing and presents an action plan for aligning and implementing a new agenda for connecting the HR function to the success of the organization

Cheap Speech Richard L.

Hasen, 2022-03-08 An informed and practical road map for controlling disinformation embracing free speech saving American elections and protecting democracy A fresh persuasive and deeply disturbing overview of the baleful and dangerous impact on the nation of widely disseminated false speech on social media Richard Hasen the country's leading expert about election law has written this book with flair and clarity Floyd Abrams author of *The Soul of the First Amendment* What can be done consistent with the First Amendment to ensure that American voters can make informed election decisions and hold free elections amid a flood of virally spread disinformation and the collapse of local news reporting How should American society counter the actions of people like former President Donald J Trump who used social media to convince millions of his followers to doubt the integrity of U.S. elections and helped foment a violent insurrection What can we do to minimize disinformation campaigns aimed at suppressing voter turnout With piercing insight into the current debates over free speech censorship and Big Tech's responsibilities Richard L Hasen proposes legal and social measures to restore Americans access to reliable information on which democracy depends In an era when quack COVID treatments and bizarre QAnon theories have entered mainstream this book explains how to assure both freedom of ideas and a commitment to truth

Never Lose a Customer Again Joey Coleman, 2018-04-03 Award winning speaker and business consultant Joey Coleman teaches audiences and companies all over the world how to turn a one time purchaser into a lifelong customer Coleman's theory of building customer loyalty isn't about focusing on marketing or closing the sale It's about the First 100 Days after the sale and the interactions the customer experiences While new customers experience joy, euphoria and excitement these feelings quickly shift to fear, doubt and uncertainty as buyer's remorse sets in Across all industries somewhere between 20% 70% of newly acquired customers will stop doing business with a company within the first 100 days of being a new customer because they feel neglected in the early stages of customer onboarding In *Never Lose a Customer Again* Coleman offers a philosophy and methodology for dramatically increasing customer retention and as a result the bottom line He identifies eight distinct emotional phases customers go through in the 100 days following a purchase From an impulse buy at Starbucks to the thoughtful purchase of a first house all customers have the potential to experience the eight phases of the customer journey

If you can understand and anticipate the customers emotions you can apply a myriad of tools and techniques in person email phone mail video and presents to cement a long and valuable relationship Coleman s system is presented through research and case studies showing how best in class companies create remarkable customer experiences at each step in the customer lifecycle In the Acclimate stage customers need you to hold their hand and over explain how to use your product or service They re often too embarrassed to admit they re confused Take a cue from Canadian software company PolicyMedical and their challenge of getting non technical users to undergo a complex installation and implementation process They turned a series of project spreadsheets and installation manuals into a beautiful puzzle customers could assemble after completing each milestone In the Adopt stage customers should be welcomed to the highest tier of tribal membership with both public and private recognitions For instance Sephora s VIB Rogue member welcome gift provides a metallic membership card private recognition and a members only shade of lipstick for public display In the final stage Advocate loyal customers and raving fans are primed to provide powerful referrals That s how elite entrepreneurial event MastermindTalks continues to sell out their conference year after year with zero dollars spent on marketing By surprising their loyal fans with amazing referral bonuses an all expenses paid safari they guarantee their community will keep providing perfect referrals Drawing on nearly two decades of consulting and keynoting Coleman provides strategies and systems to increase customer loyalty Applicable to companies in any industry and of any size whether measured in employee count revenue or total number of customers implementing his methods regularly leads to an increase in profits of 25 100% Working with well known clients like Hyatt Hotels Zappos and NASA as well as mom and pop shops and solo entrepreneurs around the world Coleman s customer retention system has produced incredible results in dozens of industries His approach to creating remarkable customer experiences requires minimal financial investment and will be fun for owners employees and teams to implement This book is required reading for business owners CEOs and managers as well as sales and marketing teams account managers and customer service representatives looking for easy to implement action steps that result in lasting change increased profits and lifelong customer retention
