

Carsten Holler Register

Jessica Morgan

Carsten Holler Register:

Register Carsten Höller, Germano Celant, 2000 Based on the chronological documentation year by year of Höller's activity on the basis of the information gathered by the artist in collaboration with Schipper und Krome Berlin Galerie Air de Paris Paris and Galleria Massimo De Carlo Milan His artistic output is analysed chronologically but in reverse order from 2000 to 1986 and is presented in parallel sections as follows Date Events Works Descriptions 2nd prelim leaf **Carsten Höller**

Carsten Höller, Germano Celant, Fondazione Prada (Milan, Italy), 2000 A reverse chronological documentation of Carsten Höller's activity and work from 2000 to 1986 **Carsten Höller Test Site Source Book** Carsten Höller, Tate Modern

(Gallery), 2006 A sourcebook that is created to accompany the 2006 Unilever Exhibition in the Tate Modern's Turbine Hall

Parkett, 2007 *Common Wealth* Jessica Morgan, 2003 Taken separately common and wealth appear to suggest two opposed conditions the shared or communal versus the private and restricted The works of the five artists appearing in the exhibition *Common Wealth* explore the implications of the words that form its title **Wow** Elizabeth Ann Brown, 2005

Installation Art Claire Bishop, 2005 In this work Claire Bishop provides an essential overview of this important often misunderstood strand of contemporary art *Carnegie International*, 2004 *A Kind of Magic* Sylvia Rütimann, 2005

Frieze Art Fair Yearbook 2009-10 Rosalind Furness, Anna Starling, 2009 An essential publication for anyone interested in contemporary visual art the *Frieze Art Yearbook 2009/10* profiles almost 300 emerging and established artists from around the world with a critical text and a colour image of their work The book also contains thoughtful interviews with artists from Frieze Projects Frieze Art Fairs critically acclaimed programme of commissions The Yearbook provides a wealth of information comprising details for all the galleries participating at Frieze Art Fair and a global directory of over 2 000 leading contemporary artists **The 'Do-it-Yourself' Artwork** Anna Dezeuze, 2010-08-15 Viewers of contemporary art are often invited to involve themselves actively in artworks by entering installations touching objects performing instructions or clicking on interactive websites Why have artists sought to engage spectators in these new forms of participation In what ways does active participation affect the viewer's experience and the status of the artwork Spanning a range of practices including kinetic art happenings environments performance installations relational and new media art from the 1950s to the present this critical anthology sheds light on the history and specificity of artworks that only come to life when you the viewer are invited to do it yourself Rather than a specialist topic in the history of twentieth and twenty first century art the do it yourself artwork raises broader issues concerning the role of the viewer in art the status of the artwork and the socio political relations between art and its contexts **Viewing Velocities** Marcus Verhagen, 2023-06-13 How have artists responded to our market driven tech enabled culture of speed *Viewing Velocities* explores a contemporary art scene caught in the gears of 24/7 capitalism It looks at artists who embrace the high octane experience economy and others who are closer to the slow movement Some of the most compelling artworks addressing the cadences of contemporary work and leisure play

on distinct even contradictory conceptions of time From Danh Vo's relics to Moyra Davey's photographs of dust covered belongings from Roman Ondak's queuing performers and Susan Hiller's outdoor sleepers to Maria Eichhorn's art strike and Ruth Ewan's giant reconstruction of the French revolutionary calendar artists have drawn out aspects of the present temporal order that are familiar to the point of near invisibility while outlining other more liberating ways of conceiving organising and experiencing time Marcus Verhagen builds on the work of theorists Jonathan Crary Hartmut Rosa and Jacques Rancière to trace lines of insurgent art that recast struggles over time and history in novel and revealing terms

Искусство инсталляции Клэр Бишоп, 2022-03-19 1920 1960 1970 XX XXI *Contemporary Art and the Digitization of Everyday Life* Janet Kraynak, 2020-11-10 Digitization is the animating force of everyday life Rather than defining it as a technology or a medium Contemporary Art and the Digitization of Everyday Life argues that digitization is a socio historical process that is contributing to the erosion of democracy and an increase in political inequality specifically along racial ethnic and gender lines Taking a historical approach Janet Kraynak finds that the seeds of these developments are paradoxically related to the ideology of digital utopianism that emerged in the late 1960s with the rise of a social model of computing a set of beliefs furthered by the neo liberal tech ideology in the 1990s and the popularization of networked computing The result of this ongoing cultural worldview which dovetails with the principles of progressive artistic strategies of the past is a critical blindness in art historical discourse that ultimately compromises art's historically important role in furthering radical democratic aims *Subréel* Jan Winkelmann, François Piron, Nathalie Ergino, Musées de Marseille. MAC, galleries contemporaines, 2002 □□□□□□□□□□ David Elliott, Pier Luigi Tazzi, 2003 *Deleuze and Contemporary Art* Stephen Zepke, 2010-05-27 What is the importance of deconstruction and the writing of Jacques Derrida in particular for literary criticism today Derek Attridge argues that the challenge of Derrida's work for our understanding of literature and its value has still not been fully met and in this book which traces a close engagement with Derrida's writing over two decades and reflects an interest in that work going back a further two decades shows how that work can illuminate a variety of topics Chapters include an overview of deconstruction as a critical practice today discussions of the secret postcolonialism ethics literary criticism jargon fiction and photography and responses to the theoretical writing of Emmanuel Levinas Roland Barthes and J Hillis Miller Also included is a discussion of the recent reading of Derrida's philosophy as radical atheism and the book ends with a conversation on deconstruction and place with the theorist and critic Jean Michel Rabate Running throughout is a concern with the question of responsibility as exemplified in Derrida's own readings of literary and philosophical texts responsibility to the work being read responsibility to the protocols of rational argument and responsibility to the reader **Visual Art and Education in an Era of Designer Capitalism** Jan Jagodzinski, 2010-10-11 This book offers a unique perspective of art and its education in designer capitalism It will contribute to the debate as to possibilities art and design hold for the future It also questions the broad technologization of art that is taking place **In**

Numbers Victor Brand, 2009 In Numbers is a survey of serial publications dating from 1955 To The present day that have been produced by artists from around the world Amid historical groundswells like the rise of the little press in the 1960s The correspondence art movement of the early 1970s And The DIY culture of zines in the 1980s and early 1990s professional artists have seized on the format of magazines and postcards as sites for a new kind of art production These are not publications that feature news items criticism manifestos or reproductions of artworks but are themselves artworks often collaborative and idiosyncratic In large part they are produced by younger artists operating at the peripheries of mainstream art cultures or by established artists looking for an alternative To The marketplace This publication is the first volume to define an overlooked art form that is neither artists book nor ephemera but entirely its own unique object This survey includes Raymond Pettibon s Tripping Corpse Maurizio Cattelan s Permanent Food and many other contemporary examples such as North Drive Press and Continuous Project Approximately 60 publications are surveyed in total In Numbers documents the history of each publication its inception production distribution and significance together with a thorough completely illustrated bibliography for each title Co published with PPP Editions New York English text Flash Art ,1995

As recognized, adventure as competently as experience not quite lesson, amusement, as capably as promise can be gotten by just checking out a book **Carsten Holler Register** then it is not directly done, you could take even more in the region of this life, on the order of the world.

We find the money for you this proper as skillfully as easy way to get those all. We have the funds for Carsten Holler Register and numerous books collections from fictions to scientific research in any way. accompanied by them is this Carsten Holler Register that can be your partner.
