**Dialogue on Awakening** Tom L. Carpenter, Tom Carpenter, 2012-06-01 In these dialogues Jesus now teaching as the fully awakened Christ shares how he awakened to this Reality and clarifies many of his own experiences when he too once experienced the state of mind we now identify as being a separate body in a world *Wisdom of Chanakya - Timeless Dialogues* Param Gyan Darshan, 2024-02-04 Chanakya Neeta English Chanakya Neeta Book Embark on a journey through the corridors of ancient wisdom with *Wisdom of Chanakya Timeless Dialogues* This compelling collection unveils the profound insights and sagacious teachings of Chanakya the renowned ancient Indian philosopher economist and political strategist In this meticulously crafted compilation each page resonates with Chanakya's timeless wisdom offering guidance on leadership governance ethics and the art of living a fulfilling life As you delve into the profound dialogues you'll discover pearls of intellect that transcend time providing invaluable lessons for navigating the complexities of the modern world Whether you choose the tangible embrace of the hardcover the convenience of an audiobook the tactile satisfaction of a paperback or the portability of an e book *Wisdom of Chanakya* promises to be your trusted companion on the quest for personal and professional excellence Unveil the secrets of success governance and ethical living as Chanakya's words come to life in this eloquent collection Immerse yourself in the wisdom that has withstood the test of time and let the teachings of Chanakya inspire and guide you on your journey toward a purposeful and enlightened existence **Enlightenment Dialogues** Martin Treon, 2011-07-07 Preface This combined narrative dialogue and play is about the uncreated unborn and undying transcendent Self of God consciousness and Buddha nature It describes an odyssey of transcendent Consciousness Awakening and Remembrance as viewed from transpersonal and primarily post metaphysical Onliness Way of Enlightenment perspective The conversational interaction between the two characters of this book which concerns their shared journey of transcendental Nondual Spirit as Spirit Consciousness Realization is primarily intended to be read as a narrative dialogue However it is also created and structured in play format and is intended to be presented to an audience as a play And herein lies a formidable presentation problem As a play it almost certainly has a very limited audience appeal In relation to the current content tastes of people of a general audience the play has no scenes of violence gun play murder fighting battles sex scenes yelling screaming car chases flying saucers and no bad guys versus good guys monsters vampires aliens or cyborgs The play simply involves the quiet dialogue between two characters over a sixteen year period set in various scenic locations So speaking from the more cynical and pessimistic side of egoic self I would say to borrow the phrase of the burly Mr T of the old TV series called *The A Team* I pity the fool who tries to present this play to a general audience This would almost certainly be a disaster On the other hand I suspect that there is a small or should I say very small and select audience of people who would variously enjoy and appreciate this play and derive useful meaning and insight from it So speaking from the more optimistic and supportive side of egoic self I would praise and encourage anyone any producer director cast and

crew who had the courage chutzpah and theatrical nerve and skills to present this play to any audience selective or otherwise

**In Your Eyes I See My Words** Pope Francis, 2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population Because of that careful and prayerful process of kneading they have found their full development in Bergoglio's writing as Pope Francis especially in *Evangelii gaudium* November 2013 *Gaudete et exsultate* On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015 In this final volume of Bergoglio's homilies and papers we meet European theologians and thinkers such as Hans Urs von Balthasar Henri de Lubac Bergoglio's friend the Uruguayan philosopher Maritain the literary figure Miguel Angel Asturias and Enrique Santos Discipolo a singer and composer of tangos that decry corruption In a prophetic conclusion the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy one defined by ongoing love and care for God's people that seeks to spread God's merciful anointing to those living on the margins of life
