## Quick Start Phonics Practice:

*Parent's Quick Start Guide to Dyslexia* James W. Forgan, Noelle Balsamo, 2023-07-28 Parent's Quick Start Guide to Dyslexia provides parents and caregivers with an immediate overview of dyslexia and steps they can take to support and encourage their child. Each chapter is packed with detailed and helpful information covering identification, public schools versus private settings and how and when to seek professional help. Summary and resource sections at the end of each chapter give quick guidance to busy readers. Topics include a wealth of research backed activities nurturing talent and creativity motivating your child to read and more. Offering straightforward, easy to understand and evidence based information, this book is a go to resource for caregivers parenting a child with dyslexia.

*A Quick Guide to Special Needs and Disabilities* Bob Bates, 2016-11-08 A Quick Guide to Special Needs is an easy go to guide for busy teachers, SENCOs, practitioners and anyone else who is interested in pragmatic solutions to the challenges of teaching children and young people with additional needs. Detailing over 60 conditions which cause people to have additional needs, Bob Bates helps you broaden your understanding of different physical, neurological, psychological and developmental needs with accessible, bite-sized explanations of the conditions, best practice approaches to working with these learners and how to apply them to your everyday teaching. Each individual need is explained over a 2 page spread and every entry includes Case studies encouraging you to reflect on real life situations to understand the impact each condition has on people and how they and their parents deal with it. Do it steps offering a simple step by step approach that you can follow in order to meet additional needs arising out of these conditions. Important steps for the classroom specifically for teachers to use. Recommended reading suggesting books, articles and websites where further information on specific conditions are available. Whether you're a newly qualified or experienced teacher or simply want to further your understanding on the vast variety of individual needs, this guide is the ideal dip in/dip out reference point for SEND. Also from Bob Bates: Educational Leadership Simplified, Learning Theories Simplified, *Teaching English Language Learners K-12* Jerry Jesness, 2014-11-18 Bring the English language to life with this valuable new resource. Some say that learning a second language is like drinking water from a fire hose. But teaching it does not have to be like standing under Niagara Falls. This is the fundamental message of Jerry Jesness' new quick start guide, *Teaching English Language Learners K-12*. In our climate, ELL teachers face immense demands as educators because the ELL class is often the critical transitional step into a student's entire education. The author provides specific strategies to address the special challenges for instructors. This valuable resource offers a terrific framework to nurture that motivating spark in English Language learners. For ELL educators, it's more than a job; it's a mission. *Teaching English Language Learners K-12* includes: Customizing instructions to create developmentally and culturally appropriate lessons for all learners; Comprehensive vocabulary checklists for common English words and concepts; Practical methods for using the learner's native language and culture in the classroom; Helpful strategies for teaching spoken English reading and writing; Encouraging

tips to become a better ELL teacher This book delivers a concise array of teaching strategies curriculum and things ESL teachers need to know to become most confident in their work and most effective with their students **The Ultimate Book of Homeschooling Ideas** Linda Dobson,2009-03-25 Fun and Effective Home Learning Activities for Every Subject As a homeschooling parent you're always looking for new and creative ways to teach your child the basics Look no longer Inside this innovative helper you'll find kid tested and parent approved techniques for learning math science writing history manners and more that you can easily adapt to your family's homeschooling needs And even if you don't homeschool you'll find this book a great teaching tool outside the classroom You'll discover fun and educational activities for kids ages 3 to 12 including how to Create maps based on favorite stories such as Treasure Island or The Wizard of Oz Make letters out of French fries as an alphabet learning aid Explore architecture by building igloos castles and bridges with sugar cubes and icing Review spelling words by writing them on the sidewalk with chalk And many more This comprehensive collection of tried and true and generally inexpensive ideas provides the best of the best homeschooling activities that can be done anywhere anytime and by anyone
