## Computer Guide:

**The Complete Idiot's Guide to Computer Basics** Joe Kraynak, 2009 Most computer documentation is based on the assumption that the computer's owner already knows something beyond the basics about computer operation. The Complete Idiot's Guide to Computer Basics Fifth Edition assumes differently. This book places the reader in charge of the computer rather than the other way around and correctly identifies that the reader wants to do something practical with his or her computer but has little knowledge for doing so. In The Complete Idiot's Guide to Computer Basics Fifth Edition readers will find Clear explanations of the basics of office programs Ways to tap the power of the Internet Information on finding lost or misplaced files Coverage of newsgroups message boards and mailing lists The basics of working with music photos and video on your computer Ways to help protect the environment with green computing as well as maintenance and upgrading

**The Complete Idiot's Guide to Computer Basics, 5th Edition** Joe Kraynak, 2009-02-03 Time for an upgrade. The fifth edition of The Complete Idiot's Guide to Computer Basics places the reader in charge of the computer rather than the other way around and places the focus on software troubleshooting rather than hardware techno babble. The reader wants to do something practical with his or her computer; this book shows them how. Covers basic office programs and how to manage photo video and music files. Advice on safe web surfing including coverage of newsgroups message boards and mailing lists. New green computing initiatives that help protect the environment. Maintenance and upgrading information. **The**
