**EDUCATION** Prof. Sunil Kumar Singh,2020-03-01 Education is a positive construct which empowers people to make use of its potentialities in the best ways to achieve excellence. Research in this endeavour tries to resolve various problems related to education, educational process and educational advancements. Thereby keeping education updated and advanced in turn preparing updated positive and constructive citizens of the society. Today an educated person is expected to be equipped with the most advanced knowledge, skills, humane values and digitalisation including evaluation of existing policies and bringing out components/variables to be covered by forthcoming policies. Thus research is positively correlated with the human and material development ensuring humane and developed society. The strength of an institution is reflected by the researches undertaken by the members over there. It gives me immense pleasure to note that survey of research abstracts in Faculty of Education Banaras Hindu University has been completed and ready for its publication in hard and soft mode. The present volume includes 256 abstracts since 1952 including most recent D. Litt abstract in education. This survey no doubt presents a trend of researches under study. These abstracts will certainly pave educational paths to solving recent educational issues. A commendable contribution has been done by the team of publication. This will have a long term impact on future researchers. Moreover, preservation of research knowledge covering 33 identified educational areas and its dissemination were much needed and expected for the cause of quality research. I am sure the volume will serve its qualitative purpose to researchers, teachers, administrators and policy makers in India and abroad. We are grateful to Prof D. P. Singh, Chairman, University Grants Commission, New Delhi, India for writing foreword for this volume and motivating us. I convey my heartfelt gratitude to all the members of publication team for their concerted efforts in bringing out this precious volume. Date 13th April 2020 Prof R. P.
