Calling Back Your Power Transformation:

Nambin: The Call James L. Mayle, 2020-08-03 *Nambin The Call* By James L Mayle *Nambin The Call* is the first of author James L Mayle's thrilling fantasy series *Nambin*. In this Shonen Manga novel Mayle is able to depict friendship, hard work, and victory through his characters and the world of *Nambin*, but more than that, there's also much multi-layered nuance. It's about moving forward, finding home, finding love, becoming comfortable in your own skin, good and evil, and badass battles. Mayle originally began *Nambin* as a form of self-medication. He was going through some tough times, and writing helped take him away to another world. Soon it became a literal and figurative escape. Mayle hopes his readers find happiness through the story and are able to escape to the world of *Nambin* just as he had when writing it. The world can be a very dark place, and Mayle wants *Nambin* to be a light. He wants his readers to know things do get better; you just have to believe and push forward.

The Teen Transformation Manual Maya Cointreau, 2019-11-14 Being a teen is tough. Grownups like to talk about how hard it is to change jobs or move to a new house, but as a teen, you're going through one of the toughest transformations there is: you're changing from a child to an adult. Your body is developing new hormonal and nervous system response mechanisms. Your brain is being completely re-wired with millions of new connections that will eventually help you evaluate risks and make great decisions. AND you're still expected to go to school and take on more chores. Get a job. Decide what you want to do for the rest of your life. Now that's stressful. That's real change. *The Teen Transformation Manual* is here to guide you along the way with more than 70 tools that will help you get comfortable with yourself and claim your power. Learn how to train your brain waves for relaxation and creativity, set goals and manifest results, use meditation to connect with your intuition, and get better guidance, harness ancestral wisdom, work with the five elements to balance your body and spirit, and release trauma and heavy emotional baggage. The straightforward writing, fun exercises, and 10 meditations with linked audio files make the process easy to follow while providing real, tangible results. A self-guiding tool for young adults, *The Teen Transformation Manual* is also used by parents, therapists, and caregivers as a co-creative tool to foster lasting change and strengthen relationships. The exercises in this book provide coping mechanisms that ease trauma, grief, and anger while encouraging a healthy balance between body, mind, and spirit. A centered approach, *The Teen Transformation Manual* bridges spirituality and lay practices to benefit the full spectrum of teens, whether a type A personality, an ADHD, or Indigo in the foster system, suffering from PTSD, or just trying to get through another day. Find what you need using the handy Master List of exercises at the end of the book and get ready to transform and FLY.
