Calvert Lesson Manuals

Calvert Lesson Manuals are a print-ready version of the online curriculum. These manuals are designed to support Teachers and Learning Guides by providing an educator's view of the curriculum, including Teaching Notes.

Virtual learning experiences are referenced throughout the manuals, and manuals must be accessed within the Calvert digital platform. We recommend that Learning Guides preview the virtual experience before students start a given lesson.

Note: To ensure a high-quality experience, we continuously update our digital curriculum. You may not see differences between the digital lessons themselves and the digital or printed lesson manuals. Previewing lessons in advance of learning is recommended.
