Handle with Care Joshua M. Freedman,Anabel L. Jensen,Marsha C. Rideout,Patricia E. Freedman,1998 A beautiful book that simply and directly shows how to build emotional intelligence Emotional intelligence and its critical importance to life and work success are clearly defined in the introduction 24 essential themes or aspects of EQ are explored in a simple clear and engaging format Each theme includes an introduction a list of activities for all ages quotes research fusion questions to engage the whole brain role models books and movies In addition there are 12 postcards and over 150 custom EQ stickers included in the book [Emotional Intelligence: The Emotional Intelligence Book - Emotional Intelligence at Work and Emotional Intelligence Leadership](#) John C. Allen,2017-05-15 Emotional Intelligence The Emotional Intelligence Book Emotional Intelligence at Work and Emotional Intelligence Leadership This Emotional Intelligence Book will answer the question what is emotional intelligence also referred to as EI As the book works to define emotional intelligence through the

four main branches it dives deeper into explaining each branch in hopes of bringing about a higher self awareness in the reader. Most people walk around with low emotional intelligence out of ignorance. They do not know because they have never been taught. Some crowds believe that the emotionally intelligent are as smart as those with high IQ's. People in positions of leadership show a higher aptitude of EI for being able to help others to calm the crowd and to work well under pressure without cracking. Each of the four branches of the emotional intelligence theory is explained in full detail. The first branch is emotional perception. The second branch is emotional reasoning. The third branch is emotional understanding and the fourth branch is emotional management. Each branch has an explanation on how to do it, how to perceive, how to reason, how to understand and how to manage the emotions. In leaning this we can then learn how to improve emotional intelligence. Emotional intelligence training helps to make leaders out of people and helps people to learn more about themselves and they will learn how to handle their emotions. A person with a high level of emotional intelligence has learned how to control their reaction to their emotions and they can also help others with their responses to emotions. The emotional intelligence definition shows that we are whole people who have emotions and will go through emotional times but that we can control our reaction and responses to these emotions instead of allowing the emotions to show as raw and out of control.
