**Emotional Intelligence Workbook: For Elementary and Middle Grade Children** Better Youth Programs, 2019-03-02 Emotional Intelligence is a vital skill for children often overlooked Not only is it overlooked but there is seldom good workbooks available aimed directly at children This activity book is a treasure trove of wonderful exercises that get kids thinking about their own emotions create self esteem empower good behaviours and habits and develop consideration for others Don't neglect to teach your kids a solid emotional intelligence to help them become strong to weather the storm coming up in teenage years This section of the Youth Deployment Activity Guide is designed to give you additional age appropriate resources that are helpful in teaching your child about emotions The emotional and social skills that are presented were written in order to help you grow your child The sections include Intrapersonal Skills Interpersonal Skills Adaptability Stress Management and General Mood Each section is further divided into sub skills that address such things as Problem Solving Happiness Flexibility and other critical emotional and social competencies We encourage you to use these activities throughout the deployment process and beyond Sample Exercises from Emotional Intelligence Activities for Kids My Special Gifts and Talents Everyone has something they do well It may be in a sport or playing a musical instrument or even a particular subject like math A person can even be good at making friends Whatever a person does well can be a gift or talent See if you can recognize your own gifts and talents Piecing a Quilt Many emotions make up the person you are It is important to be able to identify those emotions and know how to deal with them Your emotions are like a patchwork quilt Each of your emotions is pieced together to make up the whole you Inside the

patches on the quilt below draw a face showing different emotions you have felt Make No Bones About It Do your friends sometimes do or say things that make you feel uncomfortable Maybe they say unkind things to other classmates Or maybe they take the seat you were saving for someone and won't move when you ask them Do you feel like you should speak up about it but are afraid Here are some steps to take to help you speak up A Skeleton of My Former Self Independence is when you are able to take care of yourself You are able to plan and make important decisions for yourself and you can make those decisions without falling apart or depending on others to bail you out emotionally You are courteous honest and respectful of yourself and others You are willing to take responsibility for your feelings thoughts and actions You rely on others for help when necessary but do not cling to other people

Emotional Intelligence Daniel Goleman, 2005-09-27 1 BESTSELLER The groundbreaking book that redefines what it means to be smart with a new introduction by the author A thoughtfully written persuasive account explaining emotional intelligence and why it can be crucial USA Today Everyone knows that high IQ is no guarantee of success happiness or virtue but until Emotional Intelligence we could only guess why Daniel Goleman's brilliant report from the frontiers of psychology and neuroscience offers startling new insight into our two minds the rational and the emotional and how they together shape our destiny But why is emotional intelligence important Drawing on groundbreaking brain and behavioral research Goleman shows the factors at work when people of high IQ flounder and those of modest IQ do surprisingly well These factors which include self awareness self discipline and empathy add up to a different way of being smart and they aren't fixed at birth Although shaped by childhood experiences emotional intelligence can be nurtured and strengthened throughout our adulthood with immediate benefits to our health our relationships and our work The twenty fifth anniversary edition of Emotional Intelligence could not come at a better time we spend so much of our time online more and more jobs are becoming automated and digitized and our children are picking up new technology faster than we ever imagined With a new introduction from the author the twenty fifth anniversary edition prepares readers now more than ever to reach their fullest potential and stand out from the pack with the help of EI

*Working with Emotional Intelligence* Daniel Goleman, 2000-01-04 Do you have what it takes to succeed in your career The secret of success is not what they taught you in school What matters most is not IQ not a business school degree not even technical know how or years of expertise The single most important factor in job performance and advancement is emotional intelligence Emotional intelligence is actually a set of skills that anyone can acquire and in this practical guide Daniel Goleman identifies them explains their importance and shows how they can be fostered For leaders emotional intelligence is almost 90 percent of what sets stars apart from the mediocre As Goleman documents it's the essential ingredient for reaching and staying at the top in any field even in high tech careers And organizations that learn to operate in emotionally intelligent ways are the companies that will remain vital and dynamic in the competitive marketplace of today and the future Comprehensively researched crisply written and packed with fascinating case histories of triumphs disasters and dramatic turnarounds Working with Emotional

Intelligence may be the most important business book you'll ever read. Drawing on unparalleled access to business leaders around the world and studies in more than 500 organizations, Goleman documents an astonishing fact in determining star performance in every field: emotional intelligence matters twice as much as IQ or technical expertise. Readers also discover how emotional competence can be learned. Goleman analyzes five key sets of skills and vividly shows how they determine who is hired and who is fired in the top corporations in the world. He also provides guidelines for training in the emotionally intelligent organization in chapters that no one from manager to CEO should miss. *Working with Emotional Intelligence* could prove to be the most important reference for bottom line businesspeople in the first decades of the 21st century. *The Little Book of Emotional Intelligence* Andy Cope, Amy Bradley, 2016-08-25. *The Little Book of Emotional Intelligence* is an immediate outcome focused primer on the important topic of EQ which provides practical no nonsense life advice and takes a sideways look at a world which is overwhelming at times. Funny, colourful and profound, this book is a gripping manual for the human mind enabling you to understand and control your emotions, communicate better and live a happier, more balanced life.

*The Emotional Intelligence Activity Book* Adele Lynn, 2001-12-26. We've all heard of IQ, but what's EQ? It's Emotional Quotient, aka Emotional Intelligence, and experts say that EQ is a greater predictor of success at work than IQ. Companies are increasingly looking for ways to motivate and develop their employees' emotional intelligence. This book presents trainers and coaches with 50 innovative exercises to be used for either individuals or groups. The activities found in the book are grouped according to the various core competencies associated with Emotional Intelligence: Self-Awareness and Control, an awareness of one's values, emotions, skills and drives, and the ability to control one's emotional responses; Empathy, an understanding of how others perceive situations; Social Expertness, the ability to build relationships based on an assumption of human equality; Mastery of Vision, the development and communication of a personal philosophy. The book also includes suggested training combinations and coaching tips. *The Emotional Intelligence Workbook* Jill Dann, Derek Dann, 2012-09-28. Do you want to be able to persuade, influence or empathise with people in any situation? Do you want to be able to click with people instantly? Do you want people to trust you? This new Teach Yourself Workbook doesn't just tell you what emotional intelligence is. It accompanies you every step of the way with diagnostic tools, goal setting charts, practical exercises and many more features ideal for people who want a more active style of learning. The book starts by helping you identify the behaviours associated with emotional intelligence and whether you are currently doing them. It then helps you set specific goals to improve on as you progress through the book; you will be able to keep checking your progress against these goals. Specially created exercises using the tools of NLP, hypnotherapy and cognitive psychology will help you to boost your emotional intelligence so that you can reach your potential in any situation. **Shoot the Boss** Mushtak Al-Atabi, 2017-04-15. We all tell ourselves stories. These are stories about who we are, how the world works and how we relate to others. For better or worse, these stories often end up being our own identities and realities. This book presents a framework that enables the development of

positive and empowering stories It shows the role of the language we use in creating the stories we tell and how those in turn are connected to how we direct ourselves and manage our relationships Defining leadership as the ability to inspire and influence through changing the narrative and stories told within individuals and teams Shoot the Boss can be used by leaders educators parents and individuals to create positive change and inculcate emotional intelligence and attributes such as self awareness self management social awareness and relationship management within themselves and people under their care These attributes are increasingly being acknowledged as the bedrock of happiness and success in life be it at the competitive business world school or at home The book provides easy to follow guides and straightforward exercises on how to develop empowering stories and emotional intelligence at individual and organisational levels The book is based on the latest finding in neuroscience and makes reference to many success stories both individual and organisational The techniques described in the book were successfully used by more than 5 000 students from over 150 different countries who took my Success with Emotional Intelligence online course
