Stories Witchcraft Academy:

Third Generation Witch Kristen S. Walker, 2021-07-31 A teen girl fears her family's reputation will label her for life. Her mother wants her to follow in her footsteps and learn witchcraft. Can she become a witch on her own terms? Brie knows two things about the witches in her family. Her grandmother almost destroyed their hometown with magic. Her mother saved it. But the upheaval from their fight has caused problems for twenty years. Now witchcraft is subjected to strict laws and everyone knows the McAddams family is to blame. When Brie is old enough to study witchcraft under the new laws her mother Rosa assumes that she'll attend the school where she teaches. But everyone would put Brie under a microscope to see if she'll turn out to be a hero like her mother or a villain like her grandmother. She wants to hide in anonymity. Then her second mother suggests that she try a different school one where people won't know her family name. Brie would have to be accepted under her own merit. The MATs Magical Aptitude Tests will score her ability to learn magic. But if she succeeds Brie might find a more welcoming home at Santa Cruz Witch Academy. She just has to pass the entrance exams. *Third Generation Witch* is a prequel to the upper YA urban fantasy academy trilogy *Santa Cruz Witch Academy*. The series takes place twenty years after the *Fae of Calaveras* trilogy but does not require prior reading. If you like teen witches, magical schools and queer families you'll enjoy Kristen S. Walker's story about the struggle to be accepted. Preorder today. Rated PG 13 for mild profanity and sexual references.

Witch School Katrina Kahler, 2016-09-03 A great book for girls 9-12. *Witch School Book 2* continues the story. Charlotte and all her friends at Miss Moffat's Academy for Refined Young Witches. Margaret takes revenge on Charlotte before she disappears from the school and puts Charlotte into a dangerous and frightening situation. The girls train hard for their inter school competition against Witchery College and on the day discover that the girls from the bad witch school definitely do not share their values and belief in fair play. The School Ball with the students from the Wizard's School is a highlight in the school calendar. The girls meet some wonderful guys and have an interesting night. School lessons continue with Mistress Zara who is the fortune telling teacher. However some of the girls are not impressed with her visions. If you are a girl aged 9-12 and like reading about friendship and witches then you'll love this story.

The Other in the School Stories Ulrike Pesold, 2017-03-27 In *The Other in the School Stories* A Phenomenon in British Children's Literature Ulrike Pesold examines the portrayal of class, gender, race and ethnicity in selected school stories and shows how the treatment of the Other develops over a period of a century and a half. The study also highlights the transition from the traditional school story to the witch school story that by now has become a subgenre of its own. The school stories that are analysed include selected works by Thomas Hughes, Rudyard Kipling, Enid Blyton and J. K. Rowling.
