EBOOK: Operations Management: Theory and Practice: Global Edition STEVENSON, WILL,2019-01-11 EBOOK

Operations Management Theory and Practice Global Edition *Operations Management* Joel D. Wisner,2016-06-20 Finally an operations management book to get excited about Operations Management A Supply Chain Process Approach exposes students to the exciting and ever changing world of operations management through dynamic writing application and cutting edge examples that will keep students interested and instructors inspired Author Dr Joel Wisner understands that today s students will be entering a highly competitive global marketplace where two things are crucial a solid knowledge of operations management and an understanding of the importance for organizations to integrate their operations and supply chain processes With this in mind Wisner not only provides a clear and comprehensive introduction to operations management but also gives attention to the important processes involved in linking firms operations in a supply chain environment *Managing Services* Mark M. Davis,Janelle N. Heineke,2003 Managing Services is an alternative to the growing service management market in that it is more managerial and procedural placing less emphasis on quantitative tools and more on strategic concerns The benefit of this approach is that it views services from the perspective of the general manager rather than the operations specialist This is important especially considering most students taking this course aspire to and are preparing for managerial positions **Accountancy** ,2003 Hydrological Science and Technology Short Papers ,1992 **Fortnightly's Energy Customer Management** ,2002 *Computer Industry Forecasts* ,1998

**Finance** Zvi Bodie,Robert C.
