**The Calvary Road** Revel and Roy

Hession, Roy Hession, 2013-07-04 I am sure from my own experience as well as from what we have seen in the ranks of our Mission these last three years that what the authors tell us about in these pages is one of God's vital words to His worldwide church today. For long I had regarded revival only from the angle of some longed for but very rare sudden outpouring of the Spirit on a company of people. I felt that there was a missing link somewhere. Knowing of the continuing revival on a certain mission field and because it was continuing and not merely sudden and passing I long felt that they had a further secret we needed to learn. Then the chance came for heart to heart fellowship with them first through one of our own missionary leaders whose life and ministry had been transformed by a visit to that field and then through conferences with some of their missionaries on furlough and finally through the privilege of having two of the native brethren living for six months at our headquarters. From them I learned and saw that revival is first personal and immediate. It is the constant experience of any simplest Christian who walks in the light but I saw that walking in the light means an altogether new sensitiveness to sin, a calling things by their proper name of sin such as pride, hardness, doubt, fear, self-pity which are often passed over as merely human reaction. It means a readiness to break and confess at the feet of Him who was broken for us for the Blood does not cleanse excuses but always cleanses sin confessed as sin. Then revival is just the daily experience of a soul full of Jesus and running over. Further we are beginning to learn as a company of Christ's witnesses that the rivers of life to the world do not flow out in their fulness through one man but through the body, the team. Our brokenness and openness must be two-way, horizontal as well as vertical with one another as with God. We are just beginning to experience in our own ranks that team work in the Spirit is one of the keys to revival and that we have to learn and practice the laws of a living fellowship. I need not say more as Roy Hession and his wife expound the whole matter. But we have seen God at work in our midst. I could name half a dozen of our workers, several of them leaders in whose lives there has been a new spiritual revolution. Then rivulets of blessing in some of our individual lives have been merging in a larger stream. God has been giving us times as a company when as they prayed the place was shaken where they were assembled together and they were all filled with the Holy Ghost. Here and there on our battle fields distant and near the sound of abundance of rain is being heard and we believe among many companies of God's people He is preparing afresh for these last days a sharp threshing instrument having teeth and that what God is saying to us through this Revival and through the interpretation of that message in this pamphlet is a word of the Lord for our day. May it be greatly used to produce revived lives, revived fellowships and revived churches.

**Arrows of Victory: God's Work of Revival, Restoration, and Release** Jamison Work, 2014-08-26 Arrows of Victory is the account of God's reviving work among the people of Candies Creek Baptist Church in April and May of 2011 when the manifest presence of God settled among them for an unforgettable transformative and empowering six weeks. Over a period of 42 days the congregation held daily prayer meetings, approximately 40 worship gatherings that often extended more than three hours, baptized a half dozen new believers, received more than 24 hours of individual public confession and repentance of sin.
