**Abba, Allah, Ama, God the Father** Anna Kelly, 2013-07-15 The catchy title is everyone's word for God or the Father or the Creator Abba Jesus Christ called Father Allah Mohammed used in Islam Ama Sidhartha used in Shinto and Ama is God in Ecuadorian The meaning was falling into place light became stronger than darkness Author Anna Marie Kelly could see that people were friendlier and that while there were clear differences in people there was also similarity God is the same Gamma was light Rama meant God in Hinduism The author could see patterns God had created structure long before she ever was The book *Abba Allah Ama God The Father* is broken down into four sections I Found a Silence A Spirit Broken The Eternal Now and God is a Word The poems travel through most of the author's adult life and she finds that life is still moving forward into a silence and darkness that she is not prepared for A silence of science and languages she cannot understand Her memory is leaving with its memory yet it is leaving the memories of Anna Anna Marie Kelly's life became a joy through accomplishment admiration and constant praise Anna left a comfortable stable and happy

home at eighteen to work for the FBI and Nixon's administration. She fell from employment at the conclusion of the Vietnam War. The street life, alcoholism, and drugs were the bottom line, the rock bottom. Determined to climb back into society, Anna learned about God, identity, tragedy, homelessness, and failure. Emptiness contributed to filling the voids by expelling constant conflicts and frustrations into writing. Seeing other's successes and failures, misuses of fortunes stabilized her thinking that it was all a part of growing, no matter how tragic. She later attributed misery to sin.

Gabriela Pattison, 2016-05-13. As a parent, when our child gets diagnosed with an illness, we turn to the child within us for help without realizing or recognizing it. What we are really trying to accomplish is to find answers to guide ourselves and our children through the journey of a life threatening illness. **A Beautiful Choice** provides you with the necessary recognitions, tools, and guidance to find your way during these challenging times. It compassionately shows you the road through self-discovery and starts to open your mind to a new way of life. Life where you recognize the power within you, find courage to take actions and live life fully in the present moment with all your imperfections, incomplete information, as well as with what might seem as unorganized order of events.
