The next generation of leaders must create a workplace where teammates feel genuinely connected, engaged, and empowered without relying on technology. Based on Dan Schawbel's exclusive research studies featuring the perspectives of over 2 000 managers and employees across different age groups, *Back to Human* reveals why virtual communication, though vital and useful, actually contributes to a stronger sense of isolation at work than ever before. How can we change this culture? Schawbel offers a self assessment called the *Work Connectivity Index* that measures the strength of team relationships. He also shares exercises, examples, and activities that readers can work on individually or as a team, which will help them increase personal productivity, be more collaborative, and become more fulfilled at work. *Back to Human* ultimately helps you decide when and how to use technology to build better connections in your work life. It is a call to action to leaders across the world to make the workplace a better experience for all of us.

*Operation Job Search* John Henry Weiss, 2016-02-16 *Operation Job Search* is the ultimate guide for US military veterans seeking employment after discharge. It provides information about the civilian workforce, rubrics for navigating one's career, and a list of essential resources to consult during the job search. Also included are sections dedicated specifically to suggestions and resources available to female veterans. Weiss explains that hiring managers and human resources directors hire veterans who make the effort to build a professional relationship. He discusses the importance of leaving the house and meeting employers at venues such as job fairs, trade shows,

office parks and even Starbucks Weiss offers practical instructions and crucial tips such as Establish an operations center home office for job hunting Don t be afraid to make cold calls Dress appropriately for job interviews and practice communicating in civilian speak not military jargon Target military friendly companies that value the skills of returning military personnel If you are a US military veteran searching for a job Operation Job Search will guide you every step of the way from translating your skills into civilian speak to negotiating your contract *Dress for the Job You Want* Adrian Ackerman,2010-10-05 A modern guide to dressing for a job interview Includes chapters on suits shirts accessories and caring for your wardrobe
