## **Christian Family Principles:**

**PRINCIPLES OF CHRISTIAN MARRIAGE AND FAMILY LIFE** Akinbowale Isaac Adewumi, 2019-07-22 With the trend of divorce in Christendom it has become worrisome that some believers are fast changing the ancient landmark of God. However, we have also seen miracles work out in troubled marriages that appeared to be absolutely beyond repair. Over time, many couples have bounced back from a vast range of seemingly irreversible problems such as unresolved conflicts, extra-marital affairs, lack of intimacy, excessive quarrels, insufficient and ineffective communication, inadequate quality of time spent together due to busy schedules, suffocating partners, children issues, trial separation, and many more complex and difficult situations. Don't ever give up on your marriage no matter what. There is a peaceful alternative to separation or divorce. As a matter of fact, you could begin to experience a joyous solution sooner than you think. With absolute trust in God, following biblical principles and spiritual counselling coupled with prayer, virtually anyone can have the marriage of their dreams. By God's grace and through the inspiration of the Holy Spirit, the author instructs through this compendium on Principles of Christian Marriage and Family Life about how to resolve your matrimonial problems and have a marital life of heaven on earth. However, you may need to tactically lay aside the previous theories, philosophies, and ideas you have and apply the principles set out in this testament to achieve sustainable marital bliss beyond your wildest dreams. **Parenting** Paul David Tripp, 2016-09-14 Winner of the ECPA Book of the Year Award for Christian Living. What is your calling as a parent? In the midst of folding laundry, coordinating carpool schedules and breaking up fights, many parents get lost. Feeling pressure to do everything right and raise up good children, it's easy to lose sight of our ultimate purpose as parents in the quest for practical tips and guaranteed formulas. In this life-giving book, Paul Tripp offers parents much more than a to-do list. Instead, he presents us with a big picture view of God's plan for us as parents. Outlining fourteen foundational principles centered on the gospel, he shows that we need more than the latest parenting strategy or list of techniques. Rather, we need the rescuing grace of God—grace that has the power to shape how we view everything we do as parents. Freed from the burden of trying to manufacture life change in our children's hearts, we can embrace a grand perspective of parenting overflowing with vision, purpose and joy.

**Jesus' Family Values** Deirdre Good, 2006-11 What are Christian family values? Why are there so many interpretations of what Jesus actually taught and said, and which biblical values should guide our lives? Many people claim to know what Jesus would say or do in the kinds of ethical dilemmas we face today, but applying traditional Christian values out of context actually sells Jesus' teachings short. Through careful attention to the words and stories of Matthew, Luke, Mark and John, and the letters of Paul, Deirdre Good provides an ideal method for learning what the Bible has to say to our communities and households today.

**Family Values and the Rise of the Christian Right** Seth Dowland, 2015-10-20 During the last three decades of the twentieth century, evangelical leaders and conservative politicians developed a political agenda that thrust family values onto the nation's consciousness. Ministers, legislators and laypeople came together to fight abortion, gay rights and major feminist objectives. They supported private Christian schools, home schooling and a strong military. Family values leaders like Jerry Falwell, Phyllis Schlafly, Anita Bryant and James Dobson became increasingly supportive of the Republican Party, which accommodated the language of family values in its platforms and campaigns. The family values agenda created a bond between evangelicalism and political conservatism. Family Values and the Rise of the Christian Right chronicles how the family values agenda became so powerful in American political life and why it appealed to conservative evangelical Christians. Conservative evangelicals saw traditional gender norms as crucial in cultivating morality. They thought these gender norms would reaffirm the importance of clear lines of authority that the social revolutions of the 1960s had undermined. In the 1970s and 1980s, then, evangelicals founded Christian academies and developed homeschooling curricula that put conservative ideas about gender and authority front and center. Campaigns against abortion and feminism coalesced around a belief that God created women as wives and

mothers a belief that conservative evangelicals thought feminists and pro choice advocates threatened Likewise Christian right leaders championed a particular vision of masculinity in their campaigns against gay rights and nuclear disarmament Movements like the Promise Keepers called men to take responsibility for leading their families Christian right political campaigns and pro family organizations drew on conservative evangelical beliefs about men women children and authority These beliefs known collectively as family values became the most important religious agenda in late twentieth century American politics
