*Brunei English* Salbrina Sharbawi, David Deterding, Nur Raihan Mohamad, 2024-09-04. This book is a revised and updated edition of the first ever monograph wholly dedicated to the systematic linguistic description of Brunei English. Deterding and Salbrina (2013) provided a comprehensive coverage of the history, structural properties, and the levels of pronunciation, grammar, discourse, and vocabulary. The book also covers social and educational settings of Brunei English. After almost a decade, several notable changes have since been observed in the Bruneian variety of English, and this second edition chronicles the ongoing narrative of language change and discusses the current trends in the use of Brunei English. In addition to presenting a contemporaneous account of English in Brunei, this book also incorporates the role of variation within this variety, thereby addressing a limitation of the first edition.
