**Creating Public Value** Mark Harrison Moore, Mark H. Moore, 1995 A summation of 15 years of research on what public sector executives should do to improve the performance of public enterprises Cases are used to illuminate their broader lessons for government managers *Creating Public Value in Practice* John M. Bryson, Barbara C. Crosby, Laura Bloomberg, 2015-02-13 *Creating Public Value in Practice Advancing the Common Good in a Multi Sector Shared Power No One Wholly in Charge* World brings together a stellar cast of thinkers to explore issues of public and cross sector decision making within a framework of democratic civic engagement It offers an integrative approach to understanding and applying the concept of Public Value John Benington, Mark Moore, 2010-11-30 This text provides a concise and internationalized restatement of the public value approach an assessment of its impact to date in theory and practice and of its particular relevance to the challenges of public management in a time of crisis and austerity *Public Value and Public Administration* John M. Bryson, Barbara C. Crosby, Laura Bloomberg, 2015-08-18 Governments and nonprofits exist to create public value Yet what does that mean in theory and practice This new volume brings together key experts in the field to offer unique wide ranging answers From the United States Europe and Australia the contributors focus on the creation meaning measurement and assessment of public value in a world where government nonprofit organizations business and citizens all have roles in the public sphere In so doing they demonstrate the intimate link between ideas of public value and public values and the ways scholars theorize and measure them They also add to ongoing debates over what public value might mean the nature of the most important public values and how we can practically apply these values The collection concludes with an extensive research and practice agenda conceived to further the field and mainstream its ideas Aimed at scholars students and stakeholders ranging from business and government to nonprofits and activist groups *Public Value and Public Administration* is an essential blueprint for those interested in creating public value to advance the common good Elgar Encyclopedia of Public Management Schedler, Kuno, 2022-08-16 This comprehensive Encyclopedia is an essential reference text for students scholars and practitioners in public management Offering a broad and inter cultural perspective on public management as a field of practice and science it covers all the most relevant and contemporary terms and concepts comprising 78 entries written by nearly 100 leading international scholars *Handbook on Strategic Public Management* Carsten Greve, Tamyko Ysa, 2023-01-20 Offering essential interpretations of the surge in recent literature on strategy and public management this timely and insightful Handbook includes contributions from some of the key figures in the field focusing on concepts such as strategic management strategic planning and strategizing for public purposes Providing an in depth examination of strategic public management as a key topic in public management and governance this Handbook considers the interconnections between strategy public value and the state and the challenges of strategizing collaborative governance **Recognizing Public Value** Mark H. Moore, 2013-02-15 Moore's classic *Creating Public Value* offered advice to managers about how to

create public value but left unresolved the question how one could recognize when public value had been created Here he closes the gap by helping public managers name observe and count the value they produce and sustain or increase public value into the future      *Strategic Management in the Public Sector* Paul Joyce,2015-02-11 Strategic management is widely seen as essential to the public services leading to better performance and better outcomes for the public In fact the private sector idea of strategic management has become so powerful in the public sector that politicians and policy makers have begun to talk about the importance of the modern state being strategic and we may be witnessing the emergence of the Strategic State Strategic Management for the Public Sector draws on experience and research from a range of countries and provides a theoretical understanding of strategic management that is grounded in the public sector Drawing on the latest theory and research this text provides a fresh look at foresight analysis strategic choice implementation and evaluation This book also offers original and detailed case studies based on up to date evidence from different public sector settings helping the reader to build on their understanding of theories and concepts presented earlier in the book Strategic Management for the Public Sector has been written specially for managers and students taking postgraduate courses such as MBAs and MPAs It will also appeal to individual managers and civil servants in the public sector looking for an accessible book to read as part of their own independent personal development      *Public Sector Entrepreneurship and the Integration of Innovative Business Models* Lewandowski, Mateusz,Kozuch, Barbara,2017-01-05 While private for profit businesses have typically been the most experienced with entrepreneurship the study of public sector business models is coming to the forefront of entrepreneurial discussions This shift has allowed researchers and practitioners to expand on their knowledge of positive business choices and paved the way for more profitable business empires Public Sector Entrepreneurship and the Integration of Innovative Business Models is a comprehensive source of academic research that discusses the latest entrepreneurial strategies achievements and challenges in public sector contexts Highlighting relevant topics such as public management crowdsourcing municipal cooperation and public sector marketing this is an ideal resource for managers practitioners researchers and professionals interested in learning more about public sector business ideals and how these models are shaping positive entrepreneurial communities around the world      *Policy Strategy and Innovation Primer* Charles Chao Rong Phua,2023-02-10 Phua focuses on applying the best of corporate strategy and innovation tools and praxis into the policy process with the aim of devising a coherent policy strategy innovation framework and process Government and business strategies differ in their operating assumptions and variables but the strategy process is more similar than is often perceived Phua debunks the government versus business dichotomy and demonstrates the potential for cross learning between both domains Readers will benefit the most by reading this book in tandem with Phua s other works on strategy also featured in this series This book is an essential primer for academics practitioners and learners of public policy strategy innovation and applied problem solving      **Transforming Government and Empowering Communities** Nagy Hanna,2008 Foreword
