Conflict And Development Routledge Perspectives On Development:

Conflict and Development Andrew J. Williams, Roger Macginty, 2016-02-19 In the five years since the first edition of Conflict and Development was published the awareness of the relationship between conflicts and development has grown exponentially Developmental factors can act as a trigger for violence as well as for ending violence and for triggering post conflict reconstruction The book explores the complexity of the links between violent conflict usually civil wars and development under development and uneven development The second edition incorporates significant changes in the field including the G7 initiative the New Deal on Fragile States World Trade talks major policy documents from the UNDP and World Bank and updates on the Afghanistan and Iraq wars

Conflict and Development Andrew J. Williams, Alasdair Gordon-Gibson, 2024-09-26 Fully revised and updated in its third edition this timely book brings together the study of conflict and war and the problems surrounding economic development of developing societies who are most prone to experiencing problems in moving on after war

[International Perspectives on Youth Conflict and Development](#) Colette Daiute, Zeynep F.

Beykont, Craig Higson-Smith, Larry Nucci, 2006-03-30 The volume aims to shift the foundation of youth conflict study from the more typical focus on maturation behavior and personality to a characterization of youth as participants in society It also expands the analysis of youth development to include societal problems such as political instability unequal access to material resources racism and social injustice Offering new insights about the interdependent spheres of conflict involving young people this groundbreaking international compilation describes processes of a violent world rather than of violent youth

Conflict and Development Roger Mac Ginty, Andrew Williams, 2009-03-24 Over the past decade a new awareness of the relationship between conflicts and development has grown Developmental factors can act as a trigger for violence as well as for ending violence and for triggering post conflict reconstruction This book explores the complexity of the links between violent conflict usually civil wars and development under development and uneven development It emphasizes the connections between stable developed economies and civil wars in other parts of the world and examines how structural factors such as the organization of the global economy virtually condemn some regions to conflict and under development This valuable introductory text explains reviews and critically evaluates this complex relationship It focuses on intra state conflicts and complex political emergencies that combine transnational and internal characteristics Attention is also given to inter state conflicts Chapters emphasize how the relationship between conflict and development traverses many scales macro meso and micro and dimensions economic political and cultural Furthermore it explains how different developmental challenges and opportunities emerge along the full life cycle of conflict Specifically the role of poverty state market civil society globalization humanitarian aid refugees gender and health within conflict dynamics are examined The book also investigates specific developmental issues emerging during conflict management and post conflict reconstruction Both authors have a background in conducting research in deeply divided societies and argue that many of the processes

connected with war and peace making deliberately write people out of the equation This book attempts to write people in By drawing on contemporary theoretical debates and examining current policies and events the text unpacks the difficult and complex aspects of the relationships between armed conflict and development and makes them accessible interesting and policy relevant It considers how peace making peace building and post war reconstruction are usually more sustainable and successful if politicians policy makers entrepreneurs and those working for international NGOs take on board local opinion and capacity Written in an accessible style the book considers the main contemporary theories and arguments on conflict development and the interactions between the two The text is illuminated throughout with case studies drawn from Africa the Balkans Asia and the Middle East

[Conflicts in the Middle East and Africa](#) Moosa

Elayah, Bakeel Alzandani, 2024-03-21 This book explores the multifaceted dynamics between state and non state actors in public policy during and after conflict in the Middle East and Africa It offers case studies and policy relevant ideas for conflict affected areas to move forward in a more sustainable manner Following the Arab Spring revolutions civil wars have plagued the Middle East and North Africa region along with other countries in Africa The task of rebuilding peace and

institutionalizing stability in conflict affected countries or fragile states emerging from conflict is a daunting uncertain and context specific task Yet focusing on understanding conflicts in the Middle East and Africa offers an important view of the role of non state actors during conflicts These regions feature the highest numbers of inter and intra state conflicts and the governments are more often contested than in the rest of the world The volume proposes different cases addressing the fundamental challenge of inclusion and cohesion of nonstate actors during conflicts By providing a comprehensive

exploration of diverse perspectives it empowers readers to engage with the pressing issues facing these regions This is a useful resource for students and researchers in public policy and governance studies development studies and NGOs and
