Michael Hopf, 2017-10-30 Nineteen years have passed since a nuclear world war wiped out the United States leaving nothing but charred and ruined cities Out of the ashes small pockets of survivors banded together to forge new societies in the few areas not ravaged by the nuclear holocaust One community has not only risen but thrived Known as

The Collective they pride themselves on an orderly system of government with a functioning infrastructure The citizenry owe their success to their founder The Number One who presides over them with an iron fist Life in The Collective centers on contribution and purpose All are assigned responsibilities and if one cannot fulfill them they are cast out The most coveted but dangerous responsibility is that of a driver Drivers ride the lonely and barren roads scavenging and exploring the outer reaches Over the years only one has emerged as a legend and his name is Driver 8 *The Long Road* G. Michael Hopf,2013-08-29 The End was just the beginning of the struggle to survive The turmoil that Gordon and his family dealt with in the first 6 weeks will seem trivial as they now are outside the gates of Rancho Valentino The journey to Idaho will show them and their small group how far civilization has deteriorated in a very short time The family's sanity will be bitterly tested as challenges along the way will shake them to their core Sebastian now free has been deposited in a San Diego unrecognizable to him The savagery of a people fighting for limited resources comes into stark relief as he navigates the deadly roads in search of his brother Along the way he will discover that some still hold the torch of civility and hope for a better tomorrow With the presumed death of President Connor Vice President Cruz must lead the fledgling federal government out of the bunker of Cheyenne Mountain and towards a new purpose of revitalizing the United States but this will come with great cost and difficulty as tough choices will have to be made Col Barone's grief at the loss of his son has changed him No longer does he feel constrained by the old code of conduct he once pledged himself to He now leads a powerful force of over 4 000 well armed Marines to settle not just a new country but also a score against those he thinks have wronged him One thing that is certain The Long Road will take its toll on all of them Legends Evan Pickering,2016-10-27 Legends Never Die Whiskey and Taylor have found a new life as Sons of Liberty Rangers But the tides of war beckon as rebels are found within the borders And a mysterious message has been nailed to their door Someone from their past is still alive Twenty years have passed since the fall of the Kaiser and the end of the First War Survivors across the country have slowly banded into factions rebuilding semblances of civilization from the vestiges of the old world The end of the Kaiser's war brought years of relative peace to the country But as the factions rise up against the Sons of Liberty conflict rises on the horizon And war never stops Whiskey and Taylor have found a new home in Boston Capital of the Sons of Liberty The echoes of Hood's legend carry on in the hearts and minds of the Sons and Whiskey and Taylor are the last connections to him in the young new world As leaders of the Liberty Rangers Whiskey and Taylor must mentor the young Rangers who know nothing of the world before the fall More than just how to survive and how to fight Whiskey and Taylor must teach them Hood's legacy that there's still good in the world worth fighting for As war comes again to the vestiges of America something from their past threatens from outside the Sons borders The new civilization stands upon the brink of falling apart once more and someone from their past is still alive Sequel to the bestselling Book 1 of the American Rebirth Series HOOD **The Mammoth Book of Best New Horror 16** Stephen Jones,2012-03-01 The latest edition of the world's foremost annual
