The turmoil that Gordon and his family dealt with in the first 6 weeks will seem trivial as they now are outside the gates of Rancho Valentino. The journey to Idaho will show them and their small group how far civilization has deteriorated in a very short time. The family's sanity will be bitterly tested as challenges along the way will shake them to their core. Sebastian now free has been deposited in a San Diego unrecognizable to him. The savagery of a people fighting for limited resources comes into stark relief as he navigates the deadly roads in search of his brother. Along the way he will discover that some still hold the torch of civility and hope for a better tomorrow. With the presumed death of
