The Self-Help Book B.J. Jeremy, 2013-11-20. A one-of-a-kind work, *The Self-Help Book* is the ultimate spiritual, personal development, and personal growth guide to finding your true self. It is a unique book of secrets that gives simple steps to help achieve the things we hope for by simply changing the way we think. This work provides many of the secrets that can help one lead a life filled with the many things that we aspire to achieve by addressing areas such as love, happiness, overall well-being, success, confidence, and much more. In *The Self-Help Book*, B.J. Jeremy, author of several best-selling self-help books for women, men, and teenagers, speaks of the power of self. He explains that everyone has the power to unlock the secrets of true self-love. He also addresses all aspects of life by asking the question, "How can we help ourselves to lead better lives?" This work explains that regardless of our current state, it is possible to find the things we think are elusive simply by knowing ourselves on a much deeper level, a greater self-knowledge, and consciousness. Thus, we are in a better position to help ourselves and achieve the great potentials we all have. Chapters and topics of discussion include: A New Beginning, Finding Your Purpose, How to Love Yourself, The Secret of Success, Good vs. Evil, Awaken Your Confidence, How to Build Self-Esteem, How to Achieve True Happiness, Accepting and Trusting Yourself, The Definition of Success, Achieving True Self-Love, The Standard of Beauty, and much more. Enlightening, insightful, and empowering, *The Self-Help Book* will ultimately put you on the path to taking charge of your destiny as it encompasses and speaks of all the important areas of life that can help lead to a fruitful and balanced existence. This work is for teenagers and adults. Simply put, it is for people of all ages because it contains inspirational words that can help everyone. This work is bound to change the way you think about life. For all who seek a guide for spiritual and personal growth, *The Self-Help Book* is truly a must-read.

The Little Book of Self-Help Ivette Smith, 2025-12-18

Futilitarianism Neil Vallely, 2021-11-16. A proposal for countering the futility of neoliberal existence to build an egalitarian, sustainable, and hopeful future. If maximizing utility leads to the greatest happiness of the greatest number of people, as utilitarianism has always proposed, then why is it that as many of us currently maximize our utility by working endlessly, undertaking further education and training, relentlessly marketing and selling ourselves, we are met with the steady worsening of collective social and economic conditions? In *Futilitarianism*, social and political theorist Neil Vallely eloquently tells the story of how neoliberalism transformed the relationship between utility maximization and the common good. Drawing on a vast array of contemporary examples from self-help literature and marketing jargon to political speeches and governmental responses to the COVID-19 pandemic, Vallely coins several terms, including the futilitarian condition, *homo futilitus*, and *semio-futility*, to demonstrate that in the neoliberal decades, the practice of utility maximization traps us in useless and repetitive behaviors.

that foreclose the possibility of collective happiness This urgent and provocative book chimes with the mood of the time by at once mapping the historical relationship between utilitarianism and capitalism developing an original framework for understanding neoliberalism and recounting the lived experience of uselessness in the early twenty first century At a time of epoch defining disasters from climate emergencies to deadly pandemics countering the futility of neoliberal existence is essential to building an egalitarian sustainable and hopeful future **Self Help Mindset** Howard Patel,2021-02-22
