## Caribbean Political Thought Theories Of The Post Colonial State:

**Caribbean Political Thought** Aaron Kamugisha,2013 Caribbean Political Thought Theories of the Post Colonial State reckons with the vast body of radical work and thought on the post colonial Caribbean state It focuses on the period after the Second World War when a significant number of Caribbean countries gained their independence and the character of the region s post colonial politics had become clear The survey of political thought in this collection is divided into four sections theories of the post colonial state theorizing post colonial citizenship Caribbean regionalism and political culture Includes contributions from Walter Rodney Ernesto Sagas Percy Hintzen Michel Rolph Trouillot Carl Stone Brian Meeks CY Thomas George Danns M Jacqui Alexander Norman Girvan George Belle Eudine Barriteau Hilbourne Watson Tracy Robinson Obika Gray Patricia Mohammed Charles Mills C L R James Frantz Fanon Stuart Hall Edouard Glissant Archie Singham Eric

Williams Rupert Lewis Jack Dahomy George Lamming Erna Brodber Sylvia Wynter Arthur Lewis Patsy Lewis Havelock R H Ross Brewster     *The Oxford Handbook of Comparative Political Theory* Leigh K. Jenco,Murad Idris,Megan Christine Thomas,2020 Chapters emphasize exploration of substantive questions about political life in a range of global contexts with attention to whether and how those questions may be shared contested or reformulated across differences of time space and experienceAn interdisciplinary volume that bridges the gaps between various traditions regions and concerns regarding political theoryProvides tags and keywords to aid navigation of the handbook and help readers trace disruptions thematic connections and conceptual contrasts across entries     *The Routledge Reader of African American Rhetoric* Vershawn

Ashanti Young,Michelle Bachelor Robinson,2024-11-01 The Routledge Reader of African American Rhetoric is a comprehensive compendium of primary texts that is designed for use by students teachers and scholars of rhetoric and for the general public interested in the history of African American communication The volume and its companion website include dialogues creative works essays folklore music interviews news stories raps videos and speeches that are performed or written by African Americans Both the book as a whole and the various selections in it speak directly to the artistic cultural economic gendered social and political condition of African Americans from the enslavement period in America to the present as well as to the Black Diaspora     *Latin America in Global International Relations* Amitav Acharya,Melisa Deciencio,Diana Tussie,2021-07-29 Using decades of their own insight into teaching undergraduate International Relations IR courses leading experts offer an introduction to IR thinking throughout history in Latin America unfolding ideas voices concepts and approaches from the region that can contribute to the broader Global IR discussion The book highlights and

discuss the growing possibility of a Latin American agency defined broadly to include both material and ideational elements in regional and international relations covering areas where Latin America s contributions are especially visible and relevant such as regionalism international law security management and Latin America s relations with the outside world This is not about exclusively Latin American solutions to Latin American problems but rather about contributions in which Latin

Americans define the terms for understanding the issues and set the terms for the nature and scope of outside involvement Written with verve and clarity Latin America in Global International Relations exposes readers to the relevance of redefining and broadening IR theory It will serve as a guide for instructors in structuring their courses and in identifying the place of Latin America in the discipline

**Caribbean Political Thought** Aaron Kamugisha,2013 Caribbean Political Thought The

Colonial State to Caribbean Internationalisms uncovers collects and reflects on the wealth of political thought produced in the Caribbean region It traces the political thought of the Caribbean from the debate between Bartolome de Las Casas and Gines de Sepulveda on the categorization of Native people in the New World through the Haitian Revolution to the immediate aftermath of the Second World War The ideas of revolutionaries and intellectuals are counterposed with manifestos constitutional excerpts and speeches to give a view of the range of political options questions and immense choices that have faced the region's people over the last 500 years Includes Contributions from Laurent Dubois and John D Garrius Trevor Munroe Jean Jacques Dessalines Aviva Chomsky Barry Carr and Pamela Maria Smorkaloff Amy Jacques Garvey Dantes Bellegarde Jacques Roumain W Burghart Turner and Joyce Moore Turner Fidel Castro Walter Rodney Maurice Bishop Sylvia Wynter Gordon Lewis Anthony Bogues Hilary Beckles Bechu Roy Augier David Scott Antenor Firmin Jose Marti J J Thomas Hubert Harrison Marcus Garvey Rhoda Reddock Pedro Albizu Campos George Padmore Suzanne Cesaire Aime Cesaire Claudia Jones Cheddi Jagan Lloyd Best Frantz Fanon C L R James Che Guevara Lewis R Gordon

**Beyond Coloniality**

Aaron Kamugisha,2019-02-01 Against the lethargy and despair of the contemporary Anglophone Caribbean experience Aaron Kamugisha gives a powerful argument for advancing Caribbean radical thought as an answer to the conundrums of the present Beyond Coloniality is an extended meditation on Caribbean thought and freedom at the beginning of the 21st century and a profound rejection of the postindependence social and political organization of the Anglophone Caribbean and its contentment with neocolonial arrangements of power Kamugisha provides a dazzling reading of two towering figures of the Caribbean intellectual tradition C L R James and Sylvia Wynter and their quest for human freedom beyond coloniality

Ultimately he urges the Caribbean to recall and reconsider the radicalism of its most distinguished 20th century thinkers in order to imagine a future beyond neocolonialism

**Immaterial Archives** Jenny Sharpe,2020-03-15 In this innovative study

Jenny Sharpe moves beyond the idea of art and literature as an alternative archive to the historical records of slavery and its aftermath Immaterial Archives explores instead the intangible phenomena of affects spirits and dreams that Caribbean artists and writers introduce into existing archives Through the works of Frantz Z phirin Edouard Duval Carri M NourbeSe Philip Erna Brodber and Kamau Brathwaite Immaterial Archives examines silences as black female spaces Afro Creole sacred worlds as diasporic cartographies and the imaginative conjoining of spirits with industrial technologies as disruptions of enlightened modernity

**The Wiley Blackwell Companion to Race, Ethnicity, and Nationalism** John Stone,Rutledge

M. Dennis,Polly Rizova,Xiaoshuo Hou,2020-10-19 A broad examination of the rise of nationalism populism xenophobia and

racism throughout the world The Wiley Blackwell Companion to Race Ethnicity and Nationalism provides expert insight into the complex interconnected factors that are influencing patterns of human relations worldwide in a time of rising populist nationalism intensified racial and religious tensions and mounting hostilities towards immigrants and minorities Analyzing the underlying forces which continue to drive global trends this volume examines contemporary patterns based on the most recent evidence spanning five continents offering a diversity of interpretations models and perspectives that address the challenges facing the study of race ethnicity and nationalism The Companion features original contributions by both established experts and emerging scholars that explore an expansive range of theoretical historical and empirical case studies Organized into five sections the text first discusses growing trends in the United States the significance of populism in major societies around the globe and how global changes are influencing regional variations in race ethnicity and nationalism An investigation of global migration patterns is followed by examination of conflict and violence from urban riots and boundary disputes to warfare and genocide The final section focuses on the policy debates resulting from changing patterns and their impact on politics the economy and society Timely and highly relevant this book Discusses contemporary issues such as the failure of school systems to provide equal opportunities to minorities the evolution of the School to Prison pipeline and the Black Lives Matter movement Explores shifts in American race relations the influence of social media and the internet and the links between increased globalization and contemporary forms of nationalism racism and populism Features essays on national and ethnic identity in China Japan and South Korea India Central Asia Africa Latin America and Europe Analyzes policies regarding borders immigration refugees and human rights in different countries and regions Offers perspectives on the radicalization of social movements the creation of ethnic linguistic and other boundaries between groups and the models used to understand intractable conflicts in many global settings The Wiley Blackwell Companion to Race Ethnicity and Nationalism is an indispensable resource for scholars researchers instructors and students across the social sciences including sociology political science global affairs economics comparative race and ethnic relations international migration social change and sociological theory *Reflections on the Future of Human Rights* Gentian Zyberi,Johan Karlsson Schaffer,Carola Lingaas,Eduardo Sánchez Madrigal,2023-07-31 This book aims to prospectively conjecture about what the coming decades may hold for human rights The authors in this volume discern where current trends are likely to lead and try to make sense of the future they herald Human rights as a legal political and social practice have experienced significant achievements and successes some notable setbacks and failures and numerous unprecedented and unforeseen events and developments Sceptics even claim that the idea of human rights has failed to deliver on its radical promise of emancipation The chapters in this volume deal with ways to reimagine the existing human rights framework the future of the African human rights system the place of human rights in economic policy making reparations for chattel slavery and the right to free education for all children The thematic and disciplinary breadth of contributions makes this book a resource for

scholars practitioners and students alike In analysing and critically discussing matters of climate change right to a healthy environment preventing disasters and building resilience and resource management it provides timely and important contributions However the book does not limit itself to discussing current day challenges it also covers issues concerning the regulation of artificial intelligence and algorithmic decision making as well as potential paths in the future relationship between the African and the European Human Rights Court Reflections on the Future of Human Rights will be beneficial to students scholars and researchers interested in international law human rights and politics Overall the book is suitable for anyone interested in human rights and their evolution in theory and practice The chapters in this book were originally published as a special issue of Nordic Journal of Human Rights

### **Financial Crises, Poverty and Environmental**

### **Sustainability: Challenges in the Context of the SDGs and Covid-19 Recovery**

Andreas Antoniades,Alexander S. Antonarakis,Isabell Kempf,2022-01-03 This volume advances the state of the art in the study of the interplay among financial crises poverty dynamics and environmental sustainability It offers timely and unique contributions to the immediate global challenge of sustainable development Developing a new evidence base the volume offers concrete recommendations for policy action needed in advancing the Sustainable Development Goals SDGs in relation to environment and poverty during the current conditions of financial distress The approach taken is inductive and evidence driven Most analysis is based on in depth case studies that aim to offer a detailed and dynamic picture on how poverty and environmental sustainability interact in specific social contexts and financial crises In this way the volume aims to generate a wealth of new and concrete evidence that offer a solid foundation to understand the multiple channels through which social and environmental factors interact and the ways in which this interaction can and should be managed in order to achieve the needed global transition to sustainability Broader dynamics that are covered and analysed include the historical legacies of structural adjustment and colonialism the current debt wave experienced in developing countries the role of inequality the significant impact that climate change has on livelihoods and on meeting the SDGs the new challenge presented by the Covid 19 pandemic for the SDGs the challenge of sustainable funding for SDGs and the need for a new eco social contract Case studies examined include Cambodia Ethiopia India Indonesia Zambia and subregions such as the Caribbean sub Saharan Africa and Lower Mekong Countries The volume is part of a joint initiative by the Sussex Sustainability Research Programme SSRP of the University of Sussex the UNDP UNEP Poverty Environment Action for Sustainable Development Goals and the United Nations Research Institute for Social Development UNRISD The overall aim is to advance a new research programme and foster a better understanding of the multiple complex and often opposing ways through which the punctuated economic slowdown of financial crises poverty dynamics and environmental sustainability interact It also makes novel recommendations into how poverty reduction and environment can work in synergy rather than being antagonistic especially during financial distress leading into recommendations directly geared towards achieving the SDGs and beyond

*Caribbean Popular Culture* Yanique Hume,Aaron Kamugisha,2016-04-08 Caribbean Popular Culture Power Politics and Performance examines the Caribbean popular an idea that has been an important and contested terrain for exploring the dynamic and oftentimes subversive cultural expressions of the region The Caribbean popular arts whether embodied in the hybrid musical genres or vernacular performance and festival traditions have historically provided a space for social and political critique the performance of visibility and also articulations of a temporal emancipatory ethos with its attendant acquisition of power and status Beyond the spaces of their local regional enactments and the social realities out of which they emerged and continue to circulate Caribbean popular culture has over time contributed to contemporary understandings of global and diasporic cultures and at the same time the dynamics of inter cultural encounters The terrain of the popular has been a generative site for the study of Caribbean societies and has produced enduring theoretical postulations that have been pivotal to the shaping of the intellectual production on the Caribbean It is also the most powerful force that socializes contemporary Caribbean citizens into an understanding of their identities the limits of their citizenship and the meaning of their worlds
