Nlp Coaching Hayes, Philip, 2006-11-01 This book is a practical guide for executive coaches who would like to introduce elements of NLP into their coaching. NLP can be used to help individuals attain high performance in their lives and work, and this book allows practising coaches to utilise an NLP approach to achieve outstanding results for their executive clients.

**A Practical Approach to Life Satisfaction** Robert Ott, 2022-02-10 Grit, defined as persistence and passion despite obstacles, has received much attention, yet books on this theme often idolize achievements at the expense of mental health. For instance, by the time Ernest Hemingway earned the Nobel Prize for Literature in 1954, he had demonstrated true grit by enduring an injury of war, witnessing the Spanish Civil War, and writing fifteen groundbreaking volumes of literature. Yet by 1961, he had divorced three women and died by suicide. This book shifts the paradigm around grit away from accomplishments to a far more attainable and pleasing end: life satisfaction, which results in a deep, abiding and overarching sense of contentment with life. A Practical Approach to Life Satisfaction argues that constantly striving to pursue accolades is more likely to drive individuals into the ground instead of leading them to fulfillment. However, when grit works together with emotional intelligence, it can yield marked improvements in life satisfaction. Written in an engaging style, this book is an essential resource for teachers, parents, and others who shape the next generation. It weaves academic content with personal narratives and reflective questions so you can hone the tool of grit with emotional intelligence to achieve life

satisfaction      **Your Career** Julie Griffin Levitt,1996 Your Career How to Make It Happen helps students plan their career path and find their first job Guiding students through the career planning process the text covers self analysis information sources and the job search The preparation of resumes cover letters and other marketing tools the application process and the interviewing are also discussed Contemporary topics addressed include assertion and positive attitude what employers look for in potential employees positive and negative nonverbal behavior employment tests salary negotiation drug testing and how to leave a job gracefully      **Autism For Dummies** John Marble,Khushboo Chabria,Ranga Jayaraman,2025-05-06 Embrace neurodiversity and foster understanding Autism For Dummies is a comprehensive guide exploring the full spectrum of autism experiences This essential resource deepens understanding for self advocates parents educators and professionals fostering respect and acceptance for all individuals on the autism spectrum Covering the basics of autism including the latest research and diagnostic criteria the book offers insights into neurological diversity It acknowledges the vastly different abilities and support needs among autistic individuals portraying these experiences with depth and empathy The book addresses families and caregivers experiences offering candid testimonials and practical advice on advocating for resources fostering supportive communities and ensuring the best outcomes for their children Autism For Dummies bridges polarized views within the autism community highlighting self advocates calls for independence and parents need for comprehensive support Through respectful dialogue and shared stories the book encourages an enlightened approach to support and acceptance and provides practical strategies for inclusion covering tools for communities schools and workplaces to become more accommodating and empowering The book Explains the varied support needs of autistic individuals from extensive daily support to minimal assistance Offers strategies for caregivers supporting children and adults with autism Includes candid testimonials and practical advice from real families on how to advocate for appropriate resources and foster supportive environments Provides tools for inclusive communities schools and workplaces With its compassionate and inclusive approach Autism For Dummies educates and inspires broader understanding and acceptance calling on readers to help create a society where every autistic individual can thrive      *Bowker's Complete Video Directory* ,2000      Joyce Lain Kennedy's Career Book Joyce Lain Kennedy,Darryl Laramore,1996-11 Looks at the careers of the future tells how to plan one s career set goals and make decisions and discusses internships college planning job search strategies and keys to success on the job      **Growing Your Single Adult Ministry** ,1993
