Careless Whisper Alto Sax Notes:

George Michael James Gavin,2022-06-28 In George Michael A Life Gavin's engrossing biography of the singer takes the measure of a gifted tragic and infuriating man New York Times Book Review George Michael was an extravagantly gifted openhearted soul singer whose work was both pained and smolderingly erotic He was a songwriter of true craft and substance and his music swept the world starting in the mid 1980s His fabricated image that of a hypermacho sex god loomed large in the pop culture of his day It also hid for a time the secret he fought against revealing Michael was gay Soon his obsession with fame would start to backfire As one of the industry's most privileged yet tortured men began to self destruct the press showed little sympathy George Michael A Life explores the compelling story of a superstar whose struggles as well as his songs continue to touch fans all over the world Acclaimed music biographer James Gavin traces

Michael's metamorphosis from the shy and awkward Georgios Kyriacos Panayiotou into the swaggering dominant half of the leading British pop duo of the 1980s Wham He then details Michael's sensational solo career and its subsequent unraveling With deep analysis of the creative process behind Michael's albums tours and music videos as well as interviews with

hundreds of his friends and colleagues George Michael A Life is a probing definitive portrait of a pop legend *Dreams*
