Carl Fischer Melodious Etudes For Trombone Series Book 3:

The Teaching of Instrumental Music Richard J. Colwell, Michael P. Hewitt, 2017-10-12 The Teaching of Instrumental Music Fifth Edition introduces music education majors to basic instrumental pedagogy for the instruments and ensembles commonly found in the elementary and secondary curricula. It focuses on the core competencies required for teacher certification in instrumental music with the pervasive philosophy to assist teachers as they develop an instrumental music program based on understanding and respecting all types of music. Parts I and II focus on essential issues for a successful instrumental program presenting first the history and foundations followed by effective strategies in administrative tasks and classroom teaching. Parts III, IV and V are devoted to the skills and techniques of woodwind, brass and percussion and string instruments. In all, The Teaching of Instrumental Music is the complete reference for the beginning instrumental teacher commonly retained in a student's professional library for its unique and comprehensive coverage.

NEW TO THIS EDITION
Revision and updating of curriculum developments such as coordinating State Department of Education student learning objectives with the recent Every Student Succeeds Act (ESSA). New discussion of the NAfME National Standards as they relate to the teaching of instrumental music. Revamping of rehearsing instrumental ensembles chapters including new or expanded sections on programming, choosing quality music and applying successful rehearsal techniques. Updates on references plus new discussion questions and websites and internet links. A chapter devoted to classroom guitar. Updates on the use of technology for teaching and learning music. More on healthy performance practice, marching band and jazz band. Online materials located in the eResources section on the Routledge website.

The Teaching of Instrumental Music Richard Colwell, Michael Hewitt, 2015-08-20 This book introduces music education majors to basic instrumental pedagogy for the instruments and ensembles most commonly found in the elementary and secondary curricula. This text focuses on the core competencies required for teacher certification in instrumental music. The first section of the book focuses on essential issues for a successful instrumental program: objectives, assessment and evaluation, motivation, administrative tasks and recruiting and scheduling, including block scheduling. The second section devotes a chapter to each wind instrument plus percussion and strings and includes troubleshooting checklists for each instrument. The third section focuses on rehearsal techniques from the first day through high school.
