Carnal Prayer Mat Li Yu:

The Carnal Prayer Mat Yu Li, 1990 In the three hundred years since its initial publication Li Yu's *The Carnal Prayer Mat* has been widely read in China where it is recognized as a benchmark of erotic literature and currently enjoys the distinction of being a banned Beijing classic. The story centers on Scholar Vesperus, a handsome orphan and student of Zen. Before taking his monastic vows, Vesperus embarks on a career of licentiousness. His adventures as hero of the boudoir, a champion of sex, take both comic and calamitous turns until eventually he attains enlightenment on the carnal prayer mat. **Carnal Prayer Mat (Revised)** Yu Li, 1996-04-01 **The Carnal Prayer Mat** Yu Li, 1995-05-01 *Rou Putuan* Yu Li, 1990 **Li Yu's Pasquinade** Phillip St. Michael Cox, 1999 **The Invention of Li Yu** Patrick Hanan, 1988 Li Yu 1610-1680 was a brilliant comic writer and entertainer, a thoroughgoing professional whose life was in his work: plays, stories, a novel, criticism, essays, and poems. Patrick Hanan places him in the society of his day where even his precarious livelihood, his constant search for patronage, did not dampen his versatility, his irreverent wit, or his jocund spirit. Li was also an epicure, an inventor, a pundit, and a designer of houses and gardens. He was an exceptional figure in Chinese culture for two reasons: his disregard of the authority of tradition and his dedication to the cause of comedy. Hanan uses the term "invention" in his title in several ways: Li Yu's invention of himself, his public image, his originality and inventiveness in a multitude of fields, and the literary products of his inventiveness. With expert and entertaining translations, Hanan explores the key features of Li Yu's work, summarizing, describing, and quoting extensively to convey Li's virtuosity, his unconventionality, his irreverence, his ribaldry. This is a splendid introduction to the art and persona of a Chinese master of style and ingenuity. *Jou Pu Tuan* Yu Li, 1966 *The Carnal Prayer Mat* Yu Li, 1990 **Falling in Love**, 2006-05-31 Falling in love with all its accompanying problems was a subject of obsessive interest among writers and readers in the Ming Dynasty when society held strictly to arranged marriages. The stories in this engaging collection all deal with this theme in very different ways, sometimes comically, sometimes tragically. They portray young people choosing their own lovers, resorting to ingenious stratagems and risky escapades in defiance of contemporary mores. Chosen to represent the best works from the great age of the vernacular story, they offer an admirable introduction to the world of Chinese fiction in this era. All of the stories in *Falling in Love* have been translated especially for this volume and most appear here in translation for the first time. They are taken from two works: *Constant Words to Awaken the World* (Xing shi heng yan) and a related collection *The Rocks Nod Their Heads* (Shi dian tou), both published in the early seventeenth century. [The Cambridge History of Chinese Literature: From 1375](#) Kang-i Sun Chang, Stephen Owen, 2010 Stephen Owen is James Bryant Conant Professor of Chinese at Harvard University. Book Jacket **The Scholar and the State** Liangyan Ge, 2015-01-01 In imperial China, intellectuals devoted years of their lives to passing rigorous examinations in order to obtain a civil service position in the state bureaucracy. This traditional employment of the literati class conferred social power and moral legitimacy, but changing social and political circumstances in the Ming

1368 1644 and Qing 1644 1911 periods forced many to seek alternative careers Politically engaged but excluded from their traditional bureaucratic roles creative writers authored critiques of state power in the form of fiction written in the vernacular language In this study Liangyan Ge examines the novels Romance of the Three Kingdoms The Scholars Dream of the Red Chamber also known as Story of the Stone and a number of erotic pieces showing that as the literati class grappled with its own increasing marginalization its fiction reassessed the assumption that intellectuals proper role was to serve state interests and began to imagine possibilities for a new political order The open access publication of this book was made possible by a grant from the James P Geiss and Margaret Y Hsu Foundation

The Before Midnight Scholar Li Yu, 2009-01-03 Classic tale of the scholar Vesperus who acting against the advice of Buddhist Monk Lone Peak embarks upon a life of debauchery But what a life it is With an innocent wife abandoned a knave befriended and the most beautiful of women procured Also published as The Carnal Prayer Mat

Love for a Laugh: The Comic in Romantic Chuanqi Plays of the 17th and 18th Centuries Yanbing Tan, 2023-05-25 After the strikingly beautiful Peony Pavilion how could one write about love and the ideal of emotional authenticity qing in the chuanqi genre This book presents a group of creative dramatists who confronted this challenge by giving the romantic theme of chuanqi their unique comic twists This book demonstrates how their comic articulations bring the qing ideal down to the mundane world of family obligations political ambitions commercial interests and gender frustrations By highlighting the crucial but understudied role that the comic plays this book enriches our understanding of the intellectual depth and critical scope of the chuanqi genre

Rulin waishi and Cultural Transformation in Late Imperial China Shang Wei, 2020-10-26 Rulin waishi The Unofficial History of the Scholars is more than a landmark in the history of the Chinese novel This eighteenth century work which was deeply embedded in the intellectual and literary discourses of its time challenges the reader to come to grips with the mid Qing debates over ritual and ritualism and the construction of history narrative and lyricism Wu Jingzi s 1701 54 ironic portrait of literati life was unprecedented in its comprehensive treatment of the degeneration of mores the predicaments of official institutions and the Confucian elite s futile struggle to reassert moral and cultural authority Like many of his fellow literati Wu found the vernacular novel an expressive and malleable medium for discussing elite concerns

Through a close reading of *Rulin waishi* Shang Wei seeks to answer such questions as What accounts for the literati's enthusiasm for writing and reading novels Does this enthusiasm bespeak a conscious effort to develop a community of critical discourse outside the official world Why did literati authors eschew publication What are the bases for their social and cultural criticisms How far do their criticisms go given the authors alleged Confucianism And if literati authors were interested solely in recovering moral and cultural hegemony for their class how can we explain the irony found in their works

Technology, Gender and History in Imperial China Francesca Bray, 2013-06-19 What can the history of technology contribute to our understanding of late imperial China Most stories about technology in pre modern China follow a well worn plot in about 1400 after an early ferment of creativity that made it the most technologically sophisticated civilisation in the world China entered an era of technical lethargy and decline But how are we to reconcile this tale which portrays China in the Ming and Qing dynasties as a dying giant that had outgrown its own strength with the wealth of counterevidence affirming that the country remained rich vigorous and powerful at least until the end of the eighteenth century Does this seeming contradiction mean that the stagnation story is simply wrong or perhaps that technology was irrelevant to how imperial society worked Or does it imply that historians of technology should ask better questions about what technology was what it did and what it meant in pre modern societies like late imperial China In this book Francesca Bray explores subjects such as technology and ethics technology and gendered subjectivities both female and male and technology and statecraft to illuminate how material settings and practices shaped topographies of everyday experience and ideologies of government techniques of the self and technologies of the subject Examining technologies ranging from ploughing and weaving to drawing pictures building a house prescribing medicine or composing a text this book offers a rich insight into the interplay between the micro and macro politics of everyday life and the workings of governmentality in late imperial China showing that gender principles were woven into the very fabric of empire from cosmology and ideologies of rule to the material foundations of the state and the everyday practices of the domestic sphere This authoritative text will be welcomed by students and scholars of Chinese history as well as those working on global history and the histories of gender technology and agriculture Furthermore it will be of great use to those interested in social and cultural anthropology and material culture

Li Yu's Guide to Happiness Mark William Thorndal, 1995 **Got Singapore** Richard Lim, 2002 *The Before Midnight Scholar* Yu Li, 1985 *Comparative Early Modernities* David Porter, 2012-09-14 Recent historical scholarship has shown the way towards a geographically capacious conception of the early modern world Featuring essays by nine leading scholars of early modern Asia and Europe *Comparative Early Modernities* casts aside the legacies of European exceptionalism to reveal the interconnected multiplicity of the early modern world and of the variety of unexpected pathways linking these histories to the evolving modernities of the 21st century In their fresh and provocative examinations of topics in literature philosophy art history and political economy the authors transform our understanding of global early modernity

and reassess the theoretical and methodological premises of comparative historical studies
