comedy adventure mystery drama and music night after night It s no surprise that producers and writers looked to outside sources drawing some of old time radio s most beloved characters Sherlock Holmes Tarzan Hopalong Cassidy Buck Rogers directly from books This work examines individual characters that jumped from prose to radio and a number of programs that specialized in dramatizing literature It covers mystery and detective shows adventure stories westerns and science fiction and anthology shows that adapted novels by such greats as Twain Steinbeck and Dickens The text explores how the writers and producers approached the source material what they changed what they kept and what they left out **To-day's Cinema News and Property Gazette** ,1913 *The Bride* Maya Banks,Carol Marinelli,2013-12-01 HOW DO YOU GET A MAN TO PROPOSE WHEN HE THINKS OF YOU AS A SISTER It would be a challenge particularly since that man was steely tycoon Theron Anetakis But Isabella Caplan had known from the moment she d met Theron as a girl that she was meant for him and he for her And now she was going to make him realize it too by seducing him to one knee But if becoming his bride came at the cost of his honor could he forgive her Could she forgive herself **The Carter Presidency** Gary M. Fink,Hugh Davis Graham,1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter s election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter s presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library *The Carter Presidency* is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America Contemporary
