

THE ENTREPRENEUR'S GUIDE TO PRODUCTIVITY

A 5-STEP DAY PLANNER

Focus on "output" rather than "activity" or "input".
You can do the task, but measure the results to
see only what's important from your time to work
on. Prioritize, communicate priorities, and continue to
prioritize, communicate priorities, and continue to

do. For the most part, I just think we need to work
on the priorities before moving forward. You can't
do it all, but focus on what matters.

right priorities.

1. **Set your goals.** Set your goals, and make sure
they are SMART: Specific, Measurable, Achievable,
Relevant, and Time-bound.
2. **Establish your priorities.** Prioritize your tasks
based on the importance of the task and the time
it will take. The more time you have, the more you
can focus on tasks that are important to your
business.
3. **Follow your plan.** Follow your plan, and make
sure you are staying on track. If you find
yourself getting off track, go back to your
priorities and make sure you are staying on
track.

STEP 3

FOCUS ON RESULTS.

As an entrepreneur, you will often feel the need to constantly be working
on your business. This can lead to a lack of productivity, which can lead to
burnout. To avoid this, focus on results rather than activity, and continue to work
on the priorities, communicate priorities, and continue to

Key Takeaways:

The focus on results is essential for success. By focusing on results, you can
prioritize your time and energy on what matters most. This allows you to
work more efficiently and effectively, which leads to better results and
more success.

The Pareto Principle, also known as the 80/20 rule, is based on the concept of power law distributions. It states that 80% of the outcomes are produced by 20% of the inputs, and most of the value is produced by a small percentage of the inputs. This principle can be applied to business to focus your efforts on the most
productive and efficient areas of your business.

For example, if you sell products, focus on the 20% of products that generate the most revenue.
