Teresita E Dziadura, 2021-05-16 Jason is a normal call center worker at a normal call center You know the type you've probably worked at them The type of place you tell yourself you'll be at for six months and then blink and it has been six years The type of place that takes over your brain and makes you one of the drones He hates his boss He has a friend he relaxes with between calls He sits near a nice girl named Amanda he's been thinking about asking out All said Jason has a stereotypical case of the Call Center Blues and he doesn't see it getting better any time soon That changes the moment he realizes that his job isn't like every other it's run by an evil group of alien invaders infiltrating the human race with body snatching parasitic organisms that actually are taking over his brain Jason must become more than he was in order to stop the threat of invasion to his planet He thought the company he worked for was unremarkable but they thought the same of

him They both made a terrible mistake Can Jason become what he needs to to save his friends and his world **Alien Orders** Johnnie West,2022-02-07 Do you know the four types of aliens that have hidden themselves amongst governments and armed services throughout the world No Well neither did Air Force Captain Scott Ryan until one night when he encountered a UFO while flying a training mission and was ordered by his superiors to forget what he saw When Scott learns that airmen at his base had been experiencing the same thing he did for years he ignores the order and begins digging deeper Scott s investigation quickly snowballs from innocent research into revelations of a covert war between humans and aliens and a full blown government conspiracy and coverup With a group of aliens known as the Naturals going extinct they are creating more and more alien human Hybrids to ensure their survival a process that threatens human free will and existence With the survival of both humans and aliens at stake Captain Ryan suddenly becomes the only man with enough knowledge to stop the Naturals or to join them Winner of two 2022 BookFest awards recognizing best science fiction and fantasy books and a 2022 Literary Titan Book Award *Longshot* Sean Platt,Johnny B.
